

Application for a Part A(2) permit

Environmental Permitting (England and Wales) Regulations 2016

Introduction

When to use this form

If you are sending an application to a Local Authority under the Environmental Permitting (England and Wales) Regulations 2016 and the installation requires an integrated pollution control permit (known as "Part A(2)" installations).

Before you fill in this form

Do please read relevant parts of the Defra general guidance manual. Chapter 4 is about making an application, Chapter 6 is about how permits are decided, and Chapter 12 gives the meaning of Best Available Techniques (BAT). Other chapters introduce the Regulations and give information about various issues.

You also need to read the relevant sector guidance note to see what standards and requirements are likely to be expected of your installation.

Pre-application discussions

It is usually sensible to talk to one of our pollution control officers before you complete and submit the application. Contact 01905 822799

Which parts of the form to fill in

Please fill in as much of it as possible and enclose the appropriate fee. Then send it to:

*Worcestershire Regulatory Services
Strategic Services
Wyre Forest House
Finpoint Way
Kidderminster
DY11 7WF*

Email: wrsenquiries@worcsregservices.gov.uk

Other documents you may need to submit

You will need to send us various other documents. The application form tells you which ones. It will be simplest for all concerned if you give a reference number for each document and record it on both this form and on the document itself. Please use any existing documents where you can and they are suitable.

Using continuation sheets

Feel free to use a continuation sheet, but you need to clearly identify where you have done so.

Copies - not relevant for e-applications

If you are submitting a paper application, please send the original and 2 copies of the form and all other supporting material, for consultation purposes.
