DESIGN

Use

The proposed bungalow will be located on an extensive rear garden to No. 2 Furlong Road.

The site has a separate access for vehicles and pedestrians from Farm Mews (Midland Road).

The site is within walking distance of all amenities and Gloucester city centre.

Amount

The proposed two bedroom bungalow has a footprint area of 90m².

Layout

The proposed layout of the bungalow does not give any adverse loss of amenity to its neighbours. The ridge height of 4.7m is little more than a double garage and there will be no overlooking into neighbour's gardens

Scale

To the rear of the houses in Furlong Road exists a variety of garages, sheds and outbuildings accessed by or adjacent to the driveway from Farm Mews. The bungalow will not look out of place with the scale of buildings.

Landscaping

There will be a formal landscape layout prepared under a subsequent reserved matters application.

Appearance

The finished dwelling will be mainly built in facing brickwork with feature timber cladding to give relief to the front elevation. The roof will be finished in blue/black cement fibre slates.

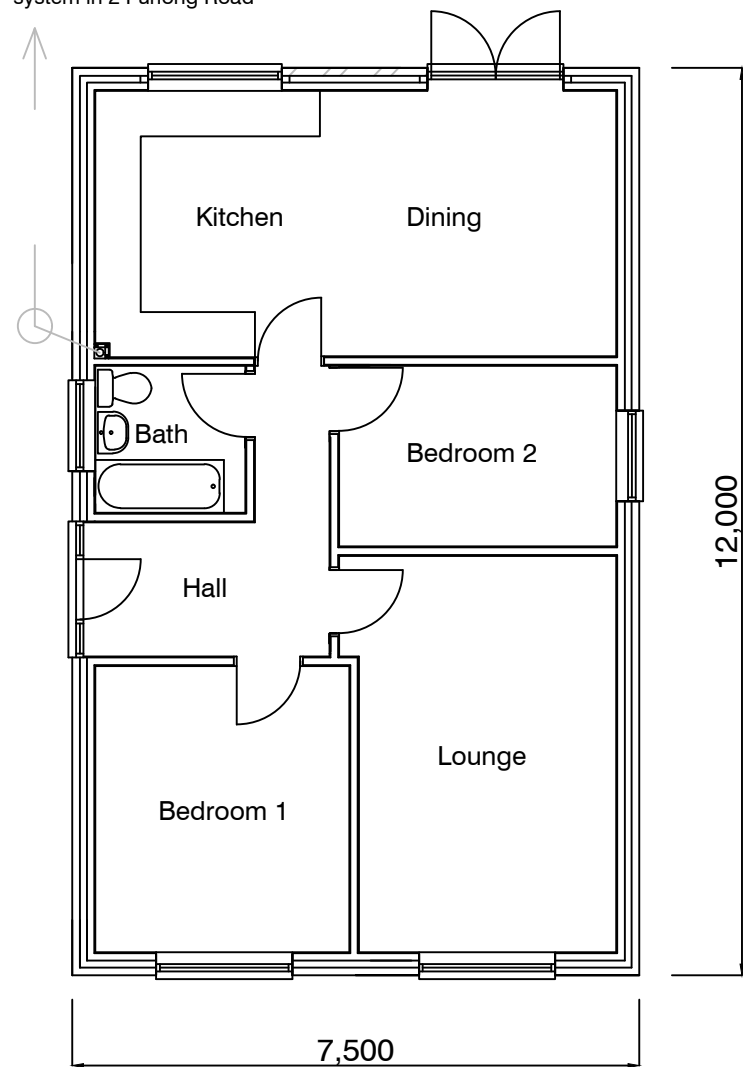

ACCESS

The property is located within walking distance of all amenities. Gloucester City Centre is within a fifteen minute walk.

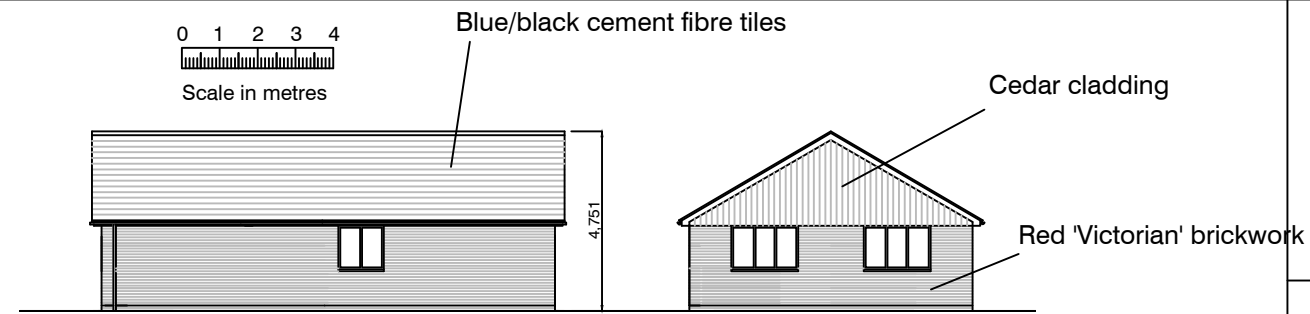

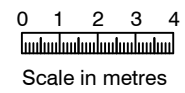

There will be vehicle parking on site for a minimum of three cars and bicycle storage.

Dustbin storage can be at the rear of the property and refuse collection is within 25m of Farm Mews.
