

NOTICE OF COMMUNITY GOVERNANCE REVIEW

Local Government and Public Involvement in Health Act 2007 Local Government (Parish and Parish Councils) Regulations 2008

Gloucester City Council is undertaking a Community Governance Review of the whole of Gloucester City local authority area.

The purpose of the review is to establish if there is support for parishing the unparished part of Gloucester and what the preferred arrangements might be for the whole of the local authority area.

The Council is now conducting the first stage of the review process and is inviting residents and interested organisations from the listed above areas to submit their views as part of the public consultation. The Council welcomes representations from any residents and interested organisations who may wish to comment on the existing arrangements in their local area or make proposals on any aspect of the matters under review that would reflect better community governance where necessary.
