

## Volunteer Litter Pickers

Why we collect information about you?

We collect information about you to maintain an up-to-date list of all active members of the scheme and to provide you with information and notifications re litter picking. Collecting this information also allows us to provide you with the appropriate litter picking equipment, and know which area you are most likely to collect litter.

What information do we collect about you?

Name, Address, Telephone Number and Email address.

Who do we share the information with?

We will not share your information with anyone else.

Is any information transferred to or stored on servers based outside the UK?

No

How long do we keep your information?

We will keep your data for as long as you remain a volunteer litter picker.

Who do we collect information from?

We only collect information from residents who have asked to be a volunteer litter picker.

What are the consequences if we do not collect the data?

We wouldn't know who we had lent the litter picking equipment to or let them know of litter picking events.

Are any decisions about you made by automatic means?

No.
