

NOTICE OF POLLING DISTRICTS AND POLLING PLACES REVIEW

Notice is hereby given that Gloucester City Council is conducting a review of Parliamentary polling districts and places located within its boundary, commencing from the date of this notice.

The (Acting) Returning Officer (ARO) for the Gloucester Constituency and the ARO for the part of the Tewkesbury Constituency within the Gloucester City Council boundaries will make comment on the proposals and those representations will be published on the Council's website in accordance with the timetable set out below.

Electors within the Gloucester City Council boundaries may make a representation. We would like to invite comments from electors regarding the convenience of voting at polling stations currently used for elections and would welcome suggestions for alternative sites.

The Council would welcome the views of all residents, particularly disabled residents, or any person or body with expertise in access for persons with any type of disability, on the proposals, ARO's representations or any other related matters.

Persons or bodies making representations should, if possible, give alternative places that may be used as polling places.

Comments and representations may be submitted as follows:

By post: Polling District Review, Democratic and Electoral Services, Gloucester City Council, PO Box 3252 Gloucester, GL1 9FW

By email: elections@gloucester.gov.uk.
