refusal or
reduction

elsewhere, but
Year 1 funded to
give it time to find
other funding

Reduced to

room hire which
could be gifted.

Funding reduced
in line with now
defunt Community

Upgrade of building rather than increasing opportunities with Council Aims
Potential for group to income-generate from attendees
Funding for a project determined by Gloucestershire Care Services
Already happening with volunteers.
Dependent on securing other monies for the construction. City Council staff could aid application.
Narrow opportunities aimed mostly at employment
Application is for repairs and running costs only

Already funded by other sources e.g. Local Sustainable Transport Fund
Project at odds with ABCD programme
Project at odds with ABCD programme
Already receives other more appropriate sources of funding
Project exists without grant and seeking to grow numbers only.
No growth of project, just starting to pay volunteers
Insufficient information on application on how Council Aims will be met
Debt advice already available from other groups
This function should be linked with Matson Community Builder
Not a Community Grant function. Should be addressed by schools
Already rugby posts on field
Very similar to other GAVCA application and Council P and E team are seeking to improve volunteering across City.
