

TOWN AND COUNTRY PLANNING ACT 1990
TOWN AND COUNTRY PLANNING (DEVELOPMENT MANAGEMENT PROCEDURE) (ENGLAND)
ORDER 2015

Application number: | 22/00560/FUL

Validated on: | 24th June 2022

Site address: | The Milestone School Longford Lane

Proposal: | Proposed classroom extension to existing school building to include a classroom along with a messy room and chill out room

In exercise of its powers under the above-mentioned Act and Order the City Council as the Local Planning Authority **GRANT PERMISSION** for the development described above in accordance with the terms of the application and the plan/s submitted therewith subject to the following conditions:

Condition 1

The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

Reason

Required to be imposed by Section 91 of the Town and Country Planning Act 1990 as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.

Condition 2

The development hereby permitted shall be carried out in accordance with the application form, and drawings 6457-P-105, 6457-P-201, 6457-P-225, 6457-P-600, 6457-P-700, 6457-P-900 where these may be modified by any other conditions attached to this permission.

Reason

To ensure that the development is carried out in accordance with the approved plans and in accordance with policies contained within the Gloucester, Cheltenham and Tewkesbury Joint Core Strategy (Adopted December 2017).

Condition 3

The external facing materials to the development hereby permitted shall match in colour, form and texture to those of the existing building.

Reason

To ensure the satisfactory appearance of the development in accordance with Policy SD4 of the Gloucester, Cheltenham and Tewkesbury Joint Core Strategy (Adopted December 2017)

Condition 4

Approval and Implementation of Trees/Hedgerow Protection Measures

No development including demolition, site clearance, materials delivery or erection of site buildings, shall start on the site until measures to protect trees/hedgerows on and adjacent to the site have been installed in accordance with details that have been submitted to and approved in writing by the local planning authority.

These measures shall include:

I. Temporary fencing for the protection of all retained trees/hedgerows on and adjacent to the site whose Root Protection Areas (RPA) fall within the site to be erected in accordance with BS 5837(2012) or subsequent revisions (Trees in Relation to Design, Demolition and Construction). Any alternative fencing type or position not strictly in accordance with BS 5837 (2012) shall be agreed in writing by the local planning authority prior to the start of development. The RPA is defined in BS5837(2012).

II. Construction Exclusion Zone (CEZ): The area around trees and hedgerows enclosed on site by protective fencing shall be deemed the CEZ. Excavations of any kind, alterations in soil levels, storage of any materials, soil, equipment, fuel, machinery or plant, site compounds, cabins or other temporary buildings, vehicle parking and delivery areas, fires and any other activities liable to be harmful to trees and hedgerows are prohibited within the CEZ, unless agreed in writing with the local planning authority.

The approved tree protection measures shall remain in place until the completion of development or unless otherwise agreed in writing with the local planning authority.

Reason

To ensure adequate protection measures for existing trees/hedgerows to be retained, in the interests of visual amenity and the character and appearance of the area. In accordance with the NPPF, Policy INF3 of the JCS and Policy E4 of the Gloucester City Plan.

Condition 5

The development hereby permitted should not commence until drainage plans for the disposal of foul and surface water flows have been submitted to and approved by the Local Planning Authority, and The scheme shall be implemented in accordance with the approved details before the development is first brought into use.

Reason

This is to ensure that the development is provided with a satisfactory means of drainage as well as to prevent or to avoid exacerbating any flooding issues and to minimise the risk of pollution.

Condition 6 Detailed Design for Surface Water Drainage

No development shall start until a detailed design, maintenance and management strategy and timetable of implementation for the surface water drainage strategy has been submitted to and approved in writing by the Local Planning Authority. The submitted strategy must demonstrate the technical feasibility and viability of the proposed drainage system through the use of SuDS to manage the flood risk to the site and elsewhere and the measures taken to manage the water quality for the lifetime of the development. The scheme for the surface water drainage shall be implemented in accordance with the approved details and timetable and shall be fully operational before the development is first put in to use/occupied.

Reason

To ensure the development is provided with a satisfactory means of drainage and thereby reducing the risk of flooding. It is important that these details are agreed prior to the commencement of development as any works on site could have implications for drainage, flood risk and water quality in the locality.

Condition 7 Maintenance of SuDS

The development hereby permitted shall not be brought in to use/occupied until a SuDS management and maintenance plan for the lifetime of the development, which shall include the arrangements for adoption by any public authority or statutory undertaker and any other arrangements to secure the operation of the scheme throughout its lifetime, has been submitted to and approved in writing by the Local Planning Authority. The approved SuDS maintenance plan shall be implemented in full in accordance with the approved details for the lifetime of the development.

Reason

To provide for the continued operation and maintenance of sustainable drainage features serving the site and to ensure that the development does not result in pollution or flooding, to improve water quality at point of discharge.

Note 1

Your attention is drawn to the requirements of the Building Regulations, which must be obtained as a separate consent to this planning decision. You are advised to contact the Gloucestershire Building Control Partnership on 01453 754871 for further information.

Note 2

Your attention is drawn to the Party Wall Act 1996. The Act will apply where work is to be carried out on the following:

- Work on an existing wall or structure shared with another property.
- Building a free standing wall or a wall of a building up to or astride the boundary with a neighbouring property.
- Excavating near a neighbouring building.

The legal requirements of this Act lies with the building/ site owner, they must find out whether the works subject of this planning permission falls within the terms of the Party Wall Act 1996. There are no requirements or duty on the part of the local authority in such matters. Further information can be obtained from the DCLG publication Preventing and resolving disputes in relation to party walls – explanatory booklet.

Note 3

In accordance with the requirements of the NPPF the Local Planning Authority has sought to determine the application in a positive and proactive manner by offering pre-application advice, publishing guidance to assist the applicant, and publishing to the council's website relevant information received during the consideration of the application thus enabling the applicant to be kept informed as to how the case was proceeding.
