

Matter 13: Implementation, delivery, and monitoring

- 97. Does the GCP have clear and effective mechanisms for implementation, delivery and monitoring?**
- 97.1 The GCP will be delivered through the implementation of the policies through the development management process. The site allocations have been demonstrated to be suitable, available, and achievable and the plan as a whole viable. The delivery of the sites has been forecast in the trajectory and all indications show that the proposed growth will be delivered in the plan period.
- 97.2 Chapter 5 of the GCP sets out a clear monitoring framework for the GCP including the source and frequency of the monitoring to be undertaken.
