Dear Mr Gooch

Thank you for your email received on the 16th May 2022 in respect of the Main Modification Consultation.

The Coal Authority is a non-departmental public body sponsored by the Department of Business, Energy & Industrial Strategy. As a statutory consultee, the Coal Authority has a duty to respond to planning applications and development plans in order to protect the public and the environment in mining areas.

As you will be aware the Gloucester City area falls outside of the defined coalfield. On this basis the Planning team at the Coal Authority have no specific comments to make on the Main Modifications proposed.

Kind regards
