Quedgeley Town Council response to the modifications Gloucester City Plan below:-

Policy C6 – the Cordon Sanitaire should be extended and protected. Insufficient in size, considerable issues, overflow and pollution witnessed over the canal at Sims Lane & Rea Lane.
Policy A2 – Residential properties are not suitable for conversion to care home in Quedgeley. Quedgeley is densely populated, and care homes and homes of multiple occupation create a noise disturbance which is unacceptable in these areas.
Policy G1 create designated off-street parking per dwelling to avoid conflict between residents. The current policy particularly for Kingsway is failing the community.
Policy G6 all new developments to be provided with high quality fibre broadband at the construction stage for future connection to properties.
