**Reason**

To safeguard the character and appearance of this building of special architectural or historical interest.

**Condition 9**

All rainwater guttering and downpipes shall be of metal finish details of which have first been submitted to and approved in writing by the Local Planning Authority. The guttering and downpipes shall then be installed and maintained for the life of the development in accordance with the approved details.

**Reason**

To safeguard the character and appearance of this building of special architectural or historical interest.

**Condition 10**

A scheme of secondary sound insulation for the windows facing Clarence Street including cross sections and acoustic performance shall be submitted to and approved by the local planning authority. The scheme should also include alternative ventilation to allow windows to remain closed when required to maintain acoustic performance. The schemes shall be installed before first occupation and maintained thereafter.

**Reason**

To protect the reasonable amenity of occupiers in accordance with policy SD.14 of the Joint Core Strategy (2017)

**Note 1**

Your attention is drawn to the requirements of the Building Regulations, which must be obtained as a separate consent to this planning decision. You are advised to contact the Gloucestershire Building Control Partnership on 01453 754871 for further information.

**Note 2**

Your attention is drawn to the Party Wall Act 1996. The Act will apply where work is to be carried out on the following:

- Work on an existing wall or structure shared with another property.
- Building a free standing wall or a wall of a building up to or astride the boundary with a neighbouring property.
- Excavating near a neighbouring building.

The legal requirements of this Act lies with the building/ site owner, they must find out whether the works subject of this planning permission falls within the terms of the Party Wall Act. There are no requirements or duty on the part of the local authority in such matters. Further information can be obtained from the DETR publication The Party Wall Act 1996 – explanatory booklet.

**Note 3**

In accordance with the requirements of the NPPF the Local Planning Authority has sought to determine the application in a positive and proactive manner by offering pre-application advice, publishing guidance to assist the applicant, and publishing to the council's website relevant information received during the consideration of the application thus enabling the applicant to be kept informed as to how the case was proceeding.
