

THE LICENSING ACT 2003

LICENSING POLICY STATEMENT

2026/2031

PREAMBLE

By virtue of the Licensing Act 2003 Gloucester City Council (the Licensing Authority) has responsibility for the licensing of all premises in the District that sell alcohol, provide regulated entertainment or serve hot food or drink to the public between 23.00 and 05.00. In addition the Authority must issue Personal Licences to persons responsible for the retail sale of alcohol and accept Temporary Event Notifications from persons requiring occasional permissions for activities licensable under the Act.

To comply with the legislation, Licensing Authorities must publish a Licensing Policy that sets out the position in relation to its duties under the Licensing Act to guide its work in implementing the Act. The Council welcomes the powers granted to it by the legislation and will continue to use them, in consultation with 'Responsible Authorities' (e.g. Police, Fire Service, Planning, Environmental Health etc), licensees, local businesses and residents, in a socially responsible way.

This document is the seventh Licensing Policy Statement to be consulted upon by Gloucester City Council. The Licensing Authority will consult widely on this issue as it affects a very large number of people in the District (e.g. licensees, residents and businesses) as well as statutory agencies and the like.

This Licensing Policy has been drawn together based on the last edition with some updates where appropriate and reflects the local balance between the commercial interests of the licensed trade and the communities they serve and impact upon. The Act requires the Council to revise and republish the policy every five years. This Policy will come into force January 2026.

1. INTRODUCTION

- 1.1 Gloucester City Council is situated in the County of Gloucestershire which contains 6 district councils in total. The Council area has an estimated population of 137,000 making it the largest urban Authority in the County in terms of population. In terms of area it is one of the smallest covering just 15.64 square miles. The City of Gloucester is the County town for Gloucestershire and its area is mainly urban. It is surrounded by the rural authorities of the County.

2.0 THE LICENSING ACT 2003

2.1 Gloucester City Council (the Licensing Authority) is responsible for the licensing of 'licensable activities' under the Licensing Act 2003 (The Act). According to the Act, licensable activities are as follows:

- The retail sale of alcohol (including via the internet or mail order);
- The supply of alcohol to members of registered clubs;
- The provision of regulated entertainment
- The supply of hot food or hot drink between 2300 hours and 0500 hours ('late night refreshments').

2.2 The Licensing Act 2003 imposes a duty on the City Council as Licensing Authority to produce, develop and review a Licensing Policy that sets out the policies that the Licensing Authority will generally apply to promote the licensing objectives when making decisions under the Act. The Licensing Authority will actively seek to promote the four statutory licensing objectives that are set out in section 4 of the Licensing Act 2003, which are as follows:

- The prevention of crime and disorder
- Public safety
- The prevention of public nuisance
- The protection of children from harm

These 4 objectives are the only matters to be taken into account in determining the application. Each objective is of equal importance and the Licensing Authority's policy relating to each of them is given in this Licensing Policy. Where the Licensing Authority receives relevant representations regarding an application from a "Responsible Authority" (a list of Responsible Authorities is attached together with their contact details in Appendix I) or 'Other Persons' The licensing authority's discretion is invoked to consider the matter. 'Other Persons' may include any of the following:

- Residents living near the premises
- Persons with an interest in the premises or locality
- Local Councillors
- Businesses with an interest in the premises or locality
- Organisations with an interest in the locality, premises or licensable activities

The Licensing Authority may consider attaching conditions to licences to promote the licensing objectives as appropriate. If no relevant representations are received by the Licensing Authority the application will be granted in the terms sought and no additional conditions imposed; conditions will be proportionate and only those appropriate to achieve the licensing objectives will be applied.

2.3 This Licensing Policy has been prepared in accordance with the provisions of the Licensing Act 2003 and the Guidance issued by the Home Secretary under Section 182 of the Act. The Policy will take effect on 29 January 2026 and will remain in force for a period of not more than five years. A review and further consultation will be carried out no later than Autumn 2030. If any amendments to the Licensing Policy are needed before the review period they will only be made following consultation with those parties referred to in paragraph 2.4 below.

- 2.4 There are a number of groups who have an interest in the licensing of premises under the Licensing Act 2003, including the licensed trade, customers, residents local councillors and enforcing agencies. All these parties have views and concerns that require consideration as part of the licensing function. Before publishing the Licensing Policy and any amendments to it, the Licensing Authority will consult with Gloucestershire Police; Gloucestershire Fire and Rescue Service; City Council Planning and Environmental Health, bodies representing local holders of personal licences, premises licences and club premises certificates; and local businesses and residents in the District. In addition, the Licensing Authority may also consult with other local bodies and agencies as appropriate.
- 2.5 In drawing up and reviewing this policy the Licensing Authority must consult with:-
- The Chief Officer of Police for the area;
The Fire and Rescue Authority for the area;
Gloucestershire Public Health
Persons/bodies representative of local holders of premises licences;
Persons/bodies representative of local holders of club premises certificates;
Persons/bodies representative of local holders of personal licences; and
Persons/bodies representative of businesses and residents in its area.
- In addition the Licensing Authority will seek to identify and consult with other organisations and individuals who may be affected by this policy in an attempt to ensure that a balanced policy is achieved.
- The Policy Statement and future drafts for consultation will be placed on the City Council website which can be found at www.gloucester.gov.uk.
- 2.6 The Council will give appropriate weight to the views of consultees.
- 2.7 The objective of the licensing process is for a unified system of regulation to allow the sale and supply of alcohol, and the provision of regulated entertainment and late night refreshment, to be carried out in a way that promotes the licensing objectives. The Licensing Authority's aim is to facilitate well-run and managed premises with licence holders displaying sensitivity to the impact of the premises on local residents. To this end, conditions attached to the various permissions granted under the Act will be focused on matters within the control of the individual licensees and others granted relevant permissions.
- 2.8 Licensing law is not the primary mechanism for the general control of nuisance and anti social behaviour by individuals once they are away from the licensed premises and, therefore, beyond the direct control of the individual, club or business holding the licence, certificate or authorisation concerned. Nonetheless, it is a key aspect of such control and licensing law will always be part of a holistic approach to the management of the evening and night-time economy in town and city centres. Therefore, as a matter of policy the Licensing Authority expects every holder of their licence, certificate or permission to be responsible for minimising the impact of their activities and anti social behaviour by their patrons within the vicinity of their premises.
- 2.9 The Licensing Authority's Policy is to create a safe and family-friendly environment within the District, particularly within the City Centre.
- 2.10 The Licensing Authority is keen to promote the artistic and cultural life of the City and licensing will be approached with a view to encouraging new and innovative forms of public entertainment that are consistent with the licensing objectives.

- 2.11 When applications are considered by the Licensing Authority following receipt of relevant representations, they will be considered on their own merits. The Licensing Authority will seek to balance the needs of the wider community, local community and commercial premises and activities, against the needs of those who may be adversely affected by the activities. The views of vocal minorities will not usually predominate over the general interests of the community. Where it is necessary to depart from the national guidance, either in this policy or at any other time, the Licensing Authority will give clear and sound reasons for doing so.
- 2.12 The Licensing Authority will work in partnership with other local authorities, particularly in Gloucestershire, to ensure a consistent approach is taken to licensing matters whilst respecting the differing needs of the individual communities.

3.0 THE LICENSING PROCESS

- 3.1 One of the major principles underlying the Licensing Act 2003 is that the licensing functions contained within the Act should be delegated to an appropriate level so as to ensure speedy, efficient and cost effective service delivery.
- 3.2 The Licensing Authority will be involved in a wide range of licensing decisions and functions and has established a Licensing Committee to administer them. Appreciating the need to provide an efficient service to all parties involved in the licensing process, the Committee has delegated certain decisions and functions and has established a number of Sub-Committees to deal with those matters.
- 3.3 In addition, it is expected that many of the decisions and functions will be largely administrative with no perceived areas of contention and, in the interests of efficiency and effectiveness these are delegated to Officers. Attached at Appendix A to this Licensing Policy is a Table of Delegated Functions setting out the agreed delegation of decisions and functions to the Licensing Authority's Licensing Committee, Sub-Committees and Officers. These delegations are without prejudice to Officers referring an application to a Sub Committee or the Licensing Committee if considered appropriate in the circumstances of the case. The Licensing Committee will regularly receive, review, comment and consider other relevant policies relating to employment, transport, cultural development and community safety as far as they affect its' licensing function.
- 3.4 The Licensing Act 2003 requires all applicants for new and varied premises licences to provide an Operating Schedule. Applicants when completing their operating schedule should consider the licensing objectives and state in this schedule any steps that they propose to take to promote the licensing objectives. Further details of issues that applicants may wish to consider are listed under the sections for each of the licensing objectives, sections 4 to 7 and in particular the list in paragraph 6.5.
- 3.5 The Licensing Authority will work closely with any relevant planning and transportation policies, tourism and cultural strategies, equality and diversity policies, the evening economy strategy in Gloucester, or local crime and disorder strategies and to take account of these where appropriate.
- 3.6 Operators of licensed premises are reminded that they will have to comply with planning, environmental health, fire safety, licensing and building control legislation when opening or adapting licensed premises.
- 3.7 Responsible Authorities and Other Persons may make representations about a licence application. In order for the representations to be relevant they must be made within 28 days of the application being lodged with the Licensing Authority and they must relate to one of the 4 licensing objectives (prevention of crime and disorder, public safety, prevention of public nuisance or protection of children from harm). Where relevant representations have been received from responsible authorities or other persons, the Licensing Authority will consider whether it is necessary, having regard to the representations, to modify the conditions proposed in the operating schedule. In such cases, the authority will seek to impose the minimum burden which is necessary in order to promote the licensing objectives in the individual case.

- 3.8 It is important to note that relevant representations do not have to be of a negative nature. This is why the word 'objection' is not used in the Licensing Act. The Department for Culture Media and Sport want to allow for representations urging the grant of a licence e.g. for cultural reasons. Clearly if all the representations received for an application were to be of a positive nature then there would be little point holding a Hearing. Also should a Hearing be required where both positive and negative representations have been received it will lend a more balanced and beneficial perspective to that Hearing.
- 3.9 Where relevant representations are received and upheld, the Licensing Authority will seek to avoid confusion and duplication by not imposing licence conditions that are required under other legislation, except where they can be exceptionally justified to promote the licensing objectives.
- 3.10 Where relevant representations are received applications will be considered on their individual merits and decisions made in relation to licensing applications will be made entirely separately from any decision in relation to planning.
- 3.11 Some regulations do not cover the unique circumstances of some entertainment. Where relevant representations are received, and upheld, the Licensing Authority will consider attaching conditions to premises licences and club premises certificates where these are necessary to promote the licensing objectives and are not already provided for in any other legislation.
- 3.12 In circumstances where conditions are imposed, they will be tailored to the individual style and characteristics of the premises and events concerned. In addition, the Licensing Act 2003 prescribes mandatory conditions in certain circumstances.
- 3.13 Additional information relating to the licensing application process is contained within Appendix B to the statement of Licensing Policy.

How this policy applies

- 3.14 All applications for new premises licences or variations need to be supported by an operating schedule. Applicants should specify (among other things) the steps that they propose to promote each of the licensing objectives.
- 3.15 If no responsible authority or other person lodges an objection (known as a "relevant representation") to the application, the Licensing Authority will grant the application as set out in the operating schedule, subject only to mandatory conditions under the Licensing Act 2003. The steps proposed by the applicant will become licence conditions but only insofar as they relate to the licensing objectives, are achievable by the applicant and are enforceable by the Authority. The Licensing Authority has no discretion to refuse the application or add to the conditions arising from the operating schedule.
- 3.16 Where, however, there are relevant representations, then a hearing before a licensing sub-committee will normally follow. After the hearing, the sub-committee must, having regard to the representations, take such steps as it considers necessary to promote the licensing objectives. These may include refusing the application, or adding to or modifying the conditions proposed in the operating schedule.

- 3.17 In exercising its discretion, the licensing sub-committee will have regard (amongst other things) to this Licensing Policy.
- 3.18 Where there have been relevant representations, the Licensing Authority will always consider the merits of the case, and interfere with the operating schedule only when, and to the extent, appropriate to promote the licensing objectives. Blanket or standard conditions will not be applied.

THE LICENSING POLICY OBJECTIVES

4.0 PREVENTION OF CRIME AND DISORDER

- 4.1 The Council places considerable importance on the prevention of crime and disorder and will fulfil its duty under Section 17 of the Crime and Disorder Act 1988 to do all it reasonably can to prevent crime and disorder in the District.
- 4.2 Licensed premises, especially those offering late night/early morning entertainment, alcohol and refreshment for large numbers of people, if not properly managed, can sometimes be a source of crime and disorder problems.
- 4.3 The Licensing Authority recommends that licensees of premises develop Operating Schedules that address these issues from the design of the premises through to the daily operating of the business.
- 4.4 In developing an Operating Schedule, applicants may wish to seek advice from the Licensing Authority or Gloucestershire Police. When planning and preparing Operating Schedules applicants may take into account local planning and transport policies, tourism, cultural and crime and disorder reduction strategies as appropriate.
- 4.5 The Licensing Authority along with the Police and Trading Standards fully supports the aims and objectives of the Gloucester LVA and City Safe Scheme and encourages the use of the City Safe Radio System. The Authority will also continue to work with the Safer Gloucester Partnership, NightSafe Partnership, Safer Community Teams, Neighbourhood Projects, Ward Councillors and others to help reduce crime and disorder associated with licensed premises.
- 4.6 The prevention of crime and disorder may, for example, be promoted by employing registered door supervisors, ensuring all staff have appropriate training, incorporating a search policy into the entry conditions of the premises, the location and standard of any CCTV on the premises, and the inclusion of written dispersal policies.

Door Supervisors

The Licensing Authority recommends that premises currently using door staff will continue to do so, and that premises who operate in the City Centre or premises seeking to change their style of operation, in particular to a music and dancing venue, will employ the use of door staff.

CCTV

Where appropriate applicants are encouraged to install a CCTV system that will be maintained and will record at all times the premises are open to the public. All recordings to be stored chronologically in a secure place for a period of not less than 31 days and to be produced to the Police and authorised officers of the Council on request.

- 4.7 Applicants for late night entertainment and liquor premises are advised to agree a protocol with Gloucestershire Police on the handling of illegal drugs found on their premises.

4.8 Cumulative Impact – Special Policies

As the Licensing Authority, we have published a Cumulative Impact Assessment of licensed premises in and around Eastgate Street. This creates a rebuttable presumption that applications for new premises licences or club premises certificates or variation applications, that are likely to add to the existing cumulative impact will normally be refused, unless the applicant can demonstrate why the operation of the premises involved will not add to the cumulative impact or otherwise impact adversely on the promotion of the licensing objectives.

4.9 Late Night Levy

This is a power conferred on Licensing Authorities by the Police Reform and Social Responsibility Act 2011 which enables a levy to be charged to persons who are licensed to sell alcohol late at night in the authority's area, as a means of raising a contribution towards the costs of policing the late-night economy.

The option of introducing such a levy will be kept under review by the Council.

4.10 Early Morning Restriction Orders (EMRO'S)

An Early Morning Alcohol Restriction Order (EMRO) is a power in the Licensing Act 2003 that enables licensing authorities to restrict sales of alcohol in the whole or a part of their areas for any specified period between 12 midnight and 6 am, if they consider this appropriate for the promotion of the licensing objectives.

Gloucester City Council has no plan to apply for an order at this time.

4.11 Public Spaces Protection Order (PSPO)

PSPO's replaced the DPPO's under the ASB Crime & Police Act 2014. Public Space Protection Orders can be used to tackle problems with anti-social drinking. An Order is currently in place for the City covering the City Centre. Map of the area is attached as Appendix D.

5.0 PUBLIC SAFETY

- 5.1 The Licensing Act 2003 covers a wide range of premises that require licensing including cinemas, nightclubs, public houses, village and community halls, schools, cafes, restaurants and fast food outlets/takeaways. Each of these types of premises present a mixture of risks, some of which may be common to most premises whilst others will be unique to specific operations.
- 5.2 Applicants are encouraged to seek advice from the Licensing Authority and the Fire Safety Section of Gloucestershire Fire and Rescue Service with regard to these issues and to carry out their own risk assessments.
- 5.3 In order to ensure the safety of persons at premises and to ensure a safe means of escape from fire, or other emergency, occupancy limits may be included in Operating Schedules in appropriate cases and if so should be set in consultation with Gloucestershire Fire & Rescue Service and the Council's Building Control Officers (or others if appropriate). The Licensing Authority will not normally seek to impose an occupancy limit different to that already identified by the Fire Authority in previous correspondence if this differs from the figure set in applicants Operating Schedules unless there have been relevant representations and the Fire Authority recommends a change or there are crime and disorder prevention reasons for doing so.
- 5.4 The Licensing Authority seeks to encourage the use of toughened glassware and polycarbonate on a risk based approach in licensed premises.
- 5.5 Every applicant granted a licence, certificate or permission would also be under a duty to comply with the Health and Safety at Work etc. Act 1974 and regulations made under it. In many cases, the Council will also be the enforcing authority responsible for ensuring compliance with the Health and Safety at Work etc. Act in licensed premises.

6.0 PREVENTION OF PUBLIC NUISANCE

6.1 Licensed premises, especially those operating late at night and in the early hours of the morning, can sometimes cause a range of nuisances impacting on people living, working or sleeping in the vicinity of the premises.

6.2 The Licensing Authority is keen to protect the amenity of residents and businesses in the vicinity of licensed premises. For these purposes the Council suggests that 'vicinity' means:

'being sufficiently close enough to be directly affected by the behaviour and activities on those premises.'

6.3 It should be noted that other legislation is available to address nuisance issues. Furthermore it is acknowledged that licensed premises are limited with regard to controlling customer behaviour away from the immediate vicinity of their premises.

6.4 In addition, the Licensing Authority is aware of the importance of the licensed trade to the local economy and its culture and leisure aspirations. The Licensing Authority will, therefore, try to work together with all interested parties, statutory agencies and licensed businesses to ensure a mutual co-existence.

6.5 When considering licence applications where relevant representations have been received the Licensing Authority will take into account measures proposed by the applicant to promote the prevention of nuisance and/or anti-social behaviour. In particular the Licensing Authority may consider the following matters, where relevant:

- i) measures proposed for the prevention of noise and vibration escaping from the premises, including music, noise from ventilation equipment, and human voices. Such measures may include the installation of soundproofing, air conditioning, acoustic lobbies and sound limitation devices;
- ii) measures proposed for preventing disturbance by customers and staff arriving at or leaving the premises, particularly between 2300 hours and 0700 hours;
- iii) measures proposed for the prevention of nuisance from cooking odours through installation of appropriate odour control equipment in a suitable location;
- iv) measures proposed for the prevention of nuisance from litter by ensuring adequate provision is made for disposal of waste inside, outside and within the general vicinity of late night takeaway/refreshment houses and a general positive attitude to encouraging good practice from customers;

- v) measures proposed for preventing queuing by pedestrians or vehicular traffic, or if some queuing is inevitable then ensuring the queues are diverted away from neighbouring premises, or are otherwise managed, to prevent disturbance or obstruction;
- vi) ensuring staff leave the premises quietly;
- vii) arrangements for parking by patrons and staff, and the effect of the parking on local residents;
- viii) provision for public transport (including taxis and private hire vehicles) for patrons;
- ix) whether licensed taxis or private hire vehicles are likely to disturb local residents;
- x) whether routes to and from the premises on foot, by car or other services pass residential premises;
- xi) the installation of any special measures where licensed premises are, or are proposed to be, located near sensitive premises such as nursing homes, hospitals, hospices or places of worship;
- xii) the use of gardens and other open-air areas;
- xiii) the location of external lighting, including security lighting that is installed inappropriately;
- xiv) other appropriate measures to prevent nuisance, such as the employment of registered door supervisors or the use of CCTV;
- xv) preventing the consumption or supply of illegal drugs, including search procedures;
- xvi) the history of previous nuisance complaints proved against the premises, particularly where statutory notices have been served on the present licensees;
- xvii) proposals for using effective means of reducing disorder by communicating with other licensees and the Police information regarding the potential for anti-social behaviour or criminal behaviour (e.g. Gloucester City Safe radio, pagers, ring rounds, membership of Gloucester City Safe).

6.6 The Licensing Authority is keen to stress, however, that as well as the licensing function there are other mechanisms for addressing issues of unruly behaviour that occur away from licensed premises. These include:

- planning controls;
- powers to designate Public Space Protection Orders in parts of the District as places where alcohol may not be consumed publicly and the confiscation of alcohol in these areas.
- police powers to close some premises for up to 24 hours in extreme cases of disorder or excessive noise;
- police enforcement of the law with regard to disorder and anti-social behaviour;
- the power of the police, licensing authority, or other persons to request a review of the licence;
- enforcement action against those selling alcohol to people who are already drunk.

7.0 PROTECTION OF CHILDREN FROM HARM

7.1 The Licensing Authority recognises that there are a range of activities for which licences may be sought meaning that children can be expected to visit many of these premises, often on their own, for food and/or other entertainment. The Licensing Act 2003 does not prevent children having free access to any licensed premises. The Licensing Authority recognises that limitations may have to be considered where it is deemed necessary to protect children from harm. The following are examples of premises that may raise concerns:

- where there have been convictions for serving alcohol to minors, or with a reputation for under-age drinking;
- with a known association with drug taking or dealing;
- where there is a strong element of gambling (this relates to substantial gambling operations and does not include premises with a small number of AWP machines) on the premises;
- where entertainment of an adult or sexual nature is provided;
- where there is a presumption that children under 18 should not be allowed (e.g. to nightclubs, except when under 18 discos are being held).

7.2 The Licensing Authority expects personal licence holders to ensure that they do not serve alcohol to children under the age of 18, except in limited conditions allowed for by law. The Licensing Authority recommends that the following are preferred ways to verify a person's proof of age:

- (i) passport
- (ii) a photocard driving licence issued in a European Union country;
- (iii) a National Proof of Age Standards Scheme card (e.g. PASS card);

7.3 Where appropriate applicants are encouraged to participate in the Challenge 25 age verification scheme.

7.4 The Council recognises the potential risk to children from mobile, remote, internet and other delivery sales of alcohol being made to or accepted on the doorstep persons under 18. The Council expects applicants for internet and delivery alcohol sales to explain in their application how they will ensure that sales and deliveries are only made to persons over 18. This could include checks whilst taking bookings and ensuring a signature of a responsible adult on delivery.

7.5 Where relevant representations have been received and upheld, when deciding whether to limit the access of children to premises the Licensing Authority will judge each application on its own merits. To assist with this the Licensing Authority will consider any representations received from Gloucestershire Police, Gloucestershire Social Services and other agencies as appropriate. Where concerns have been identified in respect of individual premises and it is felt that access to the premises by children should be restricted the options available would include:

- limitations on the hours when children may be present;
- age limitations for persons under 18;
- limitations or exclusion when certain activities are taking place;
- full exclusion of person under 18 when certain licensable activities are taking place;
- limitation of access to certain parts of the premises for person under 18;

- a requirement for an accompanying adult to be present.

This list is not meant to be seen as an exhaustive list covering everything, but gives applicants examples of the conditions the Licensing Authority may seek to impose in meeting its obligation towards the protection of children.

- 7.6 The Licensing Authority will not impose any conditions that specifically require the access of children to the premises.
- 7.7 Where no conditions or restrictions are imposed, the issue of access for children remains a matter of discretion for individual licensees or clubs.

Children and Films

- 7.8 Films cover a vast range of subjects, some of which deal with adult themes and/or contain, for example, scenes of horror or violence that may be considered unsuitable for children within certain age ranges. Where premises are used for film exhibitions, a mandatory condition will apply restricting access to performances only to persons who meet the required age limit in line with any certificate granted by the British Board of Film Classification or the Council itself.
- 7.9 The Licensing Authority will expect licensees to ensure that age restrictions for film exhibitions are properly complied with.
- 7.10 In considering applications where relevant representations have been received and upheld, the Licensing Authority will take into account any evidence that age restrictions for film exhibitions are not being properly observed.

Children and Theatrical Entertainment

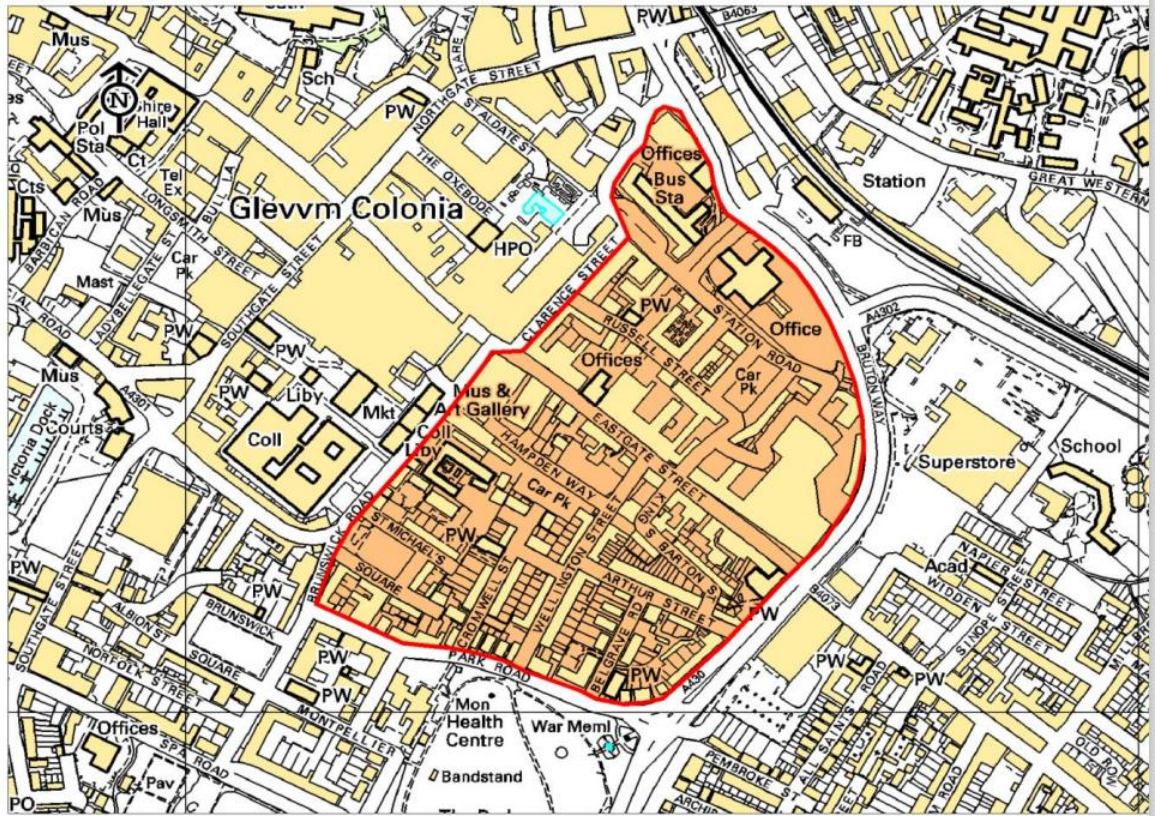

- 7.11 This Authority recognises that it may be necessary to impose a condition to restrict the admission of children to theatres which are incorporating adult entertainment into their productions. In the case of theatrical entertainment aimed specifically at children it may be considered necessary to attach a condition requiring the presence of a sufficient number of adult staff to ensure the wellbeing of children during an emergency.

8.0 CUMULATIVE IMPACT ASSESSMENT

8.1 Introduction

Gloucester City's first Cumulative Impact Zone (CIZ) was put in place alongside the first policy the council had under the Licensing Act 2003. It was based on data presented by Gloucestershire Constabulary and this theme has generally continued at each review point, the last of which was in 2021.

The current Cumulative Impact Policy area can be seen below:

Gloucestershire Constabulary have presented some data in relation to the review of the current policy. Part of this assessment will be to test the evidence for this.

The starting point for developing any understanding of licensing policy is the 4 objectives that all local authorities must uphold in undertaking their licensing activities.

8.2 The Licensing Act 2003

Section 4 of the Licensing Act 2003 required that local authorities must carry out their functions under the Act with a view to upholding these objectives:

- (a) The prevention of crime and disorder;
- (b) Public safety;
- (c) The prevention of public nuisance; and
- (d) The protection of children from harm

The Act requires that the way in which the objectives are to be upheld should be included in a statement of licensing policy. This document must be reviewed every 5 years to

ensure it remains fit for purpose. As part of this process, local authorities can consider the potential cumulative impact of a large number of premises operating in a small area and, if warranted, publish a Cumulative Impact Policy (CIP) as part of this.

An amendment to the Act, made via the Policing & Crime Act 2017, placed the principles of Cumulative Impact on a statutory basis, adding the concept to the face of the law. Before this it was only present in the guidance made under s182 of the Act, which still stands. The new Section of the Act gives Cumulative Impact a stronger status in law but the definition remains as written within the guidance. The new sections talk about a Cumulative Impact Assessment. It is this assessment that should lead directly to the decision as to whether there is a cumulative impact and also how the local authority should respond to it.

8.3 Cumulative Impact Policy

These have undoubtedly helped licensing authorities to limit the number or type of licence applications granted in areas where the number of licensed premises is causing problems. Such problems have typically included crime and disorder or public nuisance caused by large numbers of drinkers being concentrated in one area.

However, the fact that the concept of Cumulative Impact was originally only set out in the guidance issued under Section 182 of the Act meant that not all licensing authorities have made or are making effective or consistent use of them.

This has led to the licensed trade having concerns about the transparency of the process for putting a CIP in place and the quality of evidence used as the basis for some. Putting the process on a statutory basis and requiring an assessment of a broad range of factors should help tackle these perceptions.

Below is the definition of Cumulative Impact: (Home Office Guidance, issued under section 182 of the Licensing Act 2003)

“Cumulative impact is the potential impact on the promotion of the licensing objectives of a number of licensed premises concentrated in one area”

8.4 Cumulative Impact Assessment

Gloucester City is home to a number of popular restaurants, bars, night clubs and late night refreshment venues.

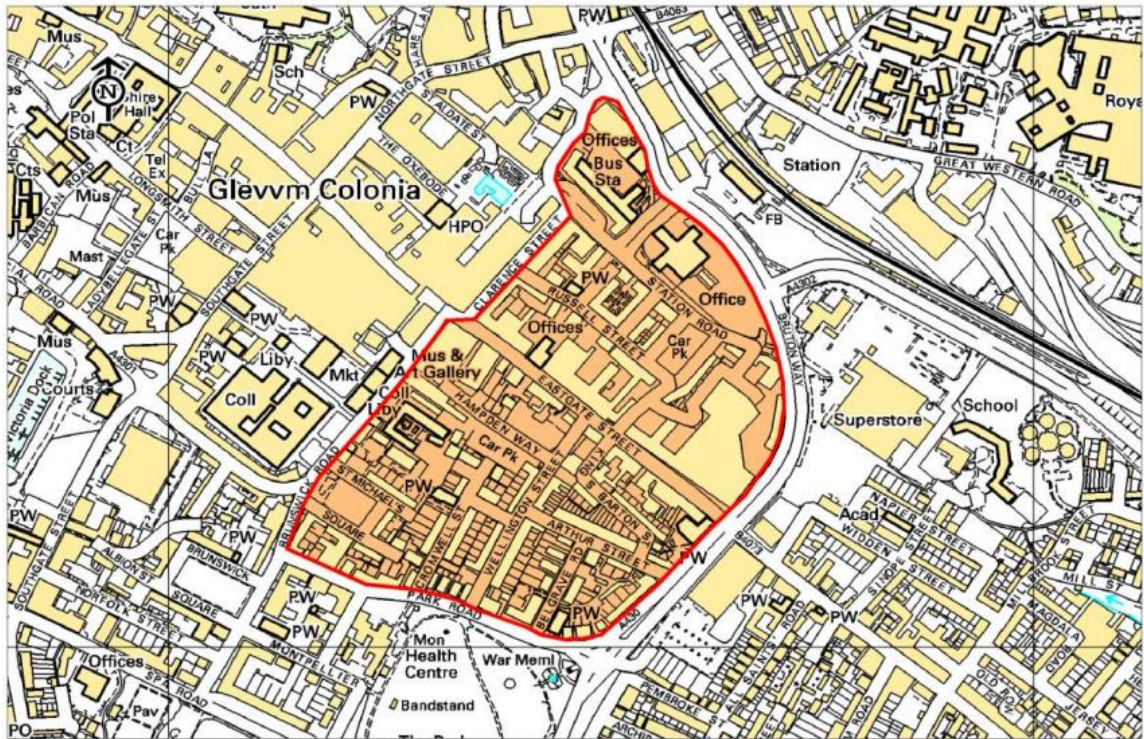

The Council encourages the development of a variety of premises providing a range of licensed activities catering for a wide range of users. This is reflected in Gloucester City Council having received a purple flag award.

The assessment relates to all types of licensed premises carrying on licensable activities within the cumulative impact zone, including the sale of alcohol for 20 consumption on or off the premises (or both), the provision of late night refreshment and regulated entertainment. The assessment does not apply to Temporary Event Notices (TENs); however the evidence upon which the assessment is based may be used by the relevant responsible authorities when submitting objections to TENs.

The council considers that, in a specified part of the City Centre within and around Eastgate Street, the number of premises licences and/or club premises certificates are such that it is likely that granting further licences or variations to existing relevant authorisations would be inconsistent with our duty to promote the licensing objectives.

Although this assessment provides an evidential basis for applications within the CIP to be refused; it does not relieve responsible authorities or any other persons of the need to make a relevant representation. Each application will be considered on a case by case basis and applicants are expected to demonstrate why the operation of the premises would not add to the cumulative impact already being experienced. The assessment will never be used as a ground for revoking an existing licence or certificate.

The evidential basis for the assessment is set out below; The area identified by the assessment can be seen below and identified within the red line.

This assessment will be kept under review and changes may be made in relation to local circumstances, the Licensing Act, associated regulations or statutory guidance.

8.5 Police Data

Gloucestershire Constabulary provided a submission focusing on crime and disorder and alcohol related incidents that have taken place over the past 10 years for the total incidents and incidents involving alcohol within the current cumulative impact area.

The two tables below show the data provided by Gloucestershire Constabulary in relation to both Crime and Disorder incidents and incidents involving alcohol within the current cumulative impact area.

Total Incidents within the Cumulative Impact Area

Year	Number of Incidents
2015-2016	1366
2016-2017	1410
2017-2018	1375
2018-2019	1081

Incidents involving alcohol within the Cumulative Impact Area

2024-2025	51

From the two tables above you can see that incidents of crimes and the number of alcohol related incidents have gone down since the last review.

As part of their submission Gloucestershire Constabulary recognise that there is compelling evidence that where a CIA is in place and supported and embraced by both the Police and local authority that it does help to reduce crime and disorder, Gloucestershire Constabulary also state that alcohol related incidents within Eastgate Street are still the highest in the county and although the issue has reduced over the years there is still a significant problem and therefore would not like to see the Cumulative Impact Policy taken out of the Statement of Licensing Policy.

8.6 Conclusions

The analysis indicates the number of reported crimes have increased since the last review. The alcohol related incidents have reduced and Gloucestershire Constabulary believe the reason for this is that there is a CIP in place. As this is the case it is not considered enough to dispense with the cumulative impact zone.

It is considered that the statistical data evidenced above together with a written report produced by Gloucestershire Constabulary clearly supports the retention of the special policy relating to cumulative impact.

Additionally, the data does not indicate that any extension to the geographical area of the CIP is required.

The area of the Licensing Authority to which this 'Special Policy' will apply is identified in the map attached at Appendix C. The area identified includes the following streets:

Eastgate Street

Clarence Street (south east side)

Brunswick Road (south east side)

Park Road (north side)

Bruton Way (west side from Park Road to Market Parade)

Station Road Russell

Street Hampden Way

Wellington Street

Cromwell Street

Arthur Street

Belgrave Road

Kingsbarton Street

St Michael's Square Market Parade (south east side)

9.0 LICENSING HOURS

9.1 The Licensing Act 2003 introduced flexible opening hours for premises, with the potential for 24 hour opening, seven days a week. The Licensing Authority recognises the variety of premises for which licences will be sought and that fixed and artificially early closing times in certain areas can lead to peaks of disorder and disturbance on the streets when people tend to leave licensed premises at the same time. When dealing with licensing hours, each application will be dealt with on its individual merits.

9.2 The Licensing Authority will have a flexible approach to opening hours and will generally deal with the issue of licensing hours having due regard to the individual merits of each application in the light of relevant representations received. The Licensing Authority will take into account requests for terminal hours in the light of the:

- environmental quality;
- residential amenity;
- character or function of a particular area; and
- nature of the proposed activities to be provided at the premises.

Where relevant representations have been received and upheld consideration may, however, be given to imposing stricter controls on noise and disturbance from particular licensed premises, such as those in mainly residential areas.

9.3 Unless there are good reason to the contrary on the grounds of public disorder or crime prevention, shops and supermarkets that sell alcohol will be licensed to do so during the same times that they would ordinarily sell other goods. It would be for interested persons or the responsible authorities to prove why this should not be so in any particular case. There may, however, be instances where it is considered that there are good reasons for restricting those hours, for, example, where police representations are made in respect of isolated shops known to be the focus of disorder and public nuisance.

9.4 Generally the Licensing Authority sees staggered trading hours as being helpful to the dispersal of patrons from licensed premises, particularly late at night. This removes some of the friction caused by sudden excessive peaks of demand at fast food outlets, taxi ranks and so on.

10.0 PROMOTING GOOD PRACTICE INITIATIVES

Best Bar None

- 10.1 Best Bar None (BBN) is a National Award Scheme supported by the Home Office and the British Institute of Innkeeping aimed at promoting responsible management and operation of alcohol licensed premises.
- 10.2 Best Bar None maintains and raises standards and rewards good management of those venues that attain the Award. This is delivered at local level through active partnerships between the industry, local authorities and the police.

Gloucester City Safe

- 10.6 Gloucester City Safe replaces the previous schemes known as Pubwatch and Shopwatch. With this in mind the Licensing Authority encourages all premises licence holders to sign up to Gloucester City Safe.
- 10.7 Gloucester City Safe is made up of members of the Business Community with the sole intention of facilitating the reduction of crime, disorder and anti-social behaviour.
- 10.8 It represents both the Day Time and Night Time Economies by working together to reduce shoplifting, theft, anti-social behaviour, alcohol related disorder and street drinking throughout Gloucester.
- 10.9 Gloucester City Safe runs an Exclusion Scheme whereby members can issue 'Yellow Card' warnings to persons who misbehave in or near their premises. Normally 2 Yellow Cards would lead to an exclusion from the services of all members of Gloucester City Safe. This includes shops, restaurants, pubs, clubs and transportation services.
- 10.10 Gloucester City Safe work hand in hand with the Police and other like minded and supportive Partners, striving to make Gloucester a safer place for all to live, work and visit.

Licensed Victuallers Association (LVA)

- 10.11 Applicants are encouraged to join the LVA, for more information on this email licensing@gloucester.gov.uk

Reduced Alcohol Strength Initiatives

- 10.12 'Reducing the Strength' refers to initiatives designed to tackle the problems associated with street drinking by removing from sale low price high-strength alcohol products through voluntary agreements with local retailers. The Licensing Authority will work in partnership with Gloucestershire Constabulary to encourage Premises Licence Holders to promote this initiative where appropriate.

Drink Spiking and Sexual Harassment

- 10.13 Drink spiking is when someone puts drugs or alcohol into a person's drink without their consent. It can include putting alcohol into a non-alcoholic drink, adding extra alcohol to an alcoholic drink or slipping prescription or illegal drugs into an alcoholic or non-alcoholic drink. It can be difficult to tell whether a drink has been spiked, as substances used for spiking usually have no taste, odour or colour. Needle spiking

is when someone injects a victim with a substance using a hypodermic needle (or other form of administration such as a combi-pen).

- 10.14 National figures suggest that spiking has increased over the past 4 years [Link to LGA guidance on Spiking](#)
- 10.15 Where appropriate applicants and licence holders are encouraged to take steps to prevent spiking and sexual harassment. This may include:
- Staff training on identifying risks of, and spotting spiking.
 - Staff training on how to support a person who is vulnerable due to the effects of drugs or alcohol.
 - Effective CCTV.
 - Membership of Gloucester City Safe.
 - Ability to provide a safe space within the venue for customers who are vulnerable due to the effects of alcohol or drugs.
 - Offering various anti-drink spiking products to customers.
 - Recording all potential spiking incidents and reporting spiking incidents to the police immediately.
- 10.16 Where appropriate applicants and licence holders are encouraged to promote the national Street Safe tool, which enables members of the public to report anonymously any locations where they feel unsafe or have experienced sexual harassment, intimidation, or other offences. Licensees are encouraged to display information about Street Safe within their premises and to support staff awareness of the tool. Information on Street Safe is available from the Police at:
- <https://www.police.uk/pu/notices/streetsafe/street-safe/>
 - App Store: <https://apps.apple.com/gb/app/streetsafe/id6445992460>
- 10.17 Victims should always be encouraged and supported to make an official report to the police, recognising that timely reporting helps safeguard others and supports investigations. However, if a victim does not wish to make a report, staff should still provide appropriate safeguarding, ensure the person is safe, offer information on how to report later if they choose to do so, and record the incident internally so patterns of concern can be identified and shared with responsible authorities where appropriate.

Ask Angela

- 10.18 Where appropriate applicants and licence holders are encouraged to actively participate in the Ask Angela Scheme. Ask for Angela is a national scheme that helps anyone who is feeling vulnerable on a night out to get the support they need. Staff at night-time economy venues, participating in the scheme, are trained to understand and respond to anyone who asks for Angela. This may include calling security, taking the person to a safe space or helping them leave the premises unnoticed.

- 10.19 Gloucester City Council encourages adoption of the scheme by operators of bars, pubs and other night-time venues where people meet up. It also encourages adoption by operators of cafes, restaurants and other hospitality venues including those open in the daytime.
- 10.20 New applicants are encouraged to volunteer in their operating schedule that they will actively participate in the Ask Angela Scheme.
- 10.21 Actively participating includes:
- Displaying Ask Angela signage.
 - Having an Ask Angela procedure in place laying out how staff will respond to anyone that Asks for Angela and how they will protect the person.
 - Regular staff training on how to spot and support people that need help and the procedure on what to do if someone Asks for Angela.
- 10.22 Information and training material is available on the Ask Angela website [Home - Ask For Angela](#)

Martyn's Law

- 10.23 Where appropriate applicants and licence holders, that fall within the scope of Martyn's Law, are encouraged to consider and prepare for the requirements of new legislation once they come into force.
- 10.24 Martyn's law is the name used for The Terrorism (Protection of Premises) Act 2025 which received Royal Assent on 3 April 2025. The Act's aims are to improve protective security and organisational preparedness across the UK by requiring that those responsible for certain premises and events consider how they would respond to a terrorist attack. The Government intends for there to be an implementation period of at least 24 months before the Act comes into force. The enforcing body will be the Security Industry Authority [Martyn's Law Factsheet – Home Office in the media](#)

Irresponsible Drinks Promotions

- 10.25 Low cost alcohol sold in on and off trade premises increases alcohol consumption which can lead to crime and disorder issues. Through this policy the licensing authority would like to encourage the responsible consumption of alcohol and where there is evidence that the licensing objectives are being compromised or are likely to be compromised, the licensing authority will consider imposing controls on drinks promotions to deal with localised problems.

However, the licensing authority would prefer an approach whereby it, along with the licensed trade and other partners, are able to promote responsible retailing of alcohol instead of having to deal with the effects of irresponsible drinks promotions and drunkenness.

Promotion of equality

- 10.26 The policy recognises that the Equality Act 2010 places a legal obligation on this authority to have due regard to the need to eliminate unlawful discrimination, harassment and victimisation; to advance equality of opportunity; and to foster good relations, between persons with different protected characteristics through

the functions outlined in this policy. The protected characteristics are age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, sex, and sexual orientation.

11.0 ENFORCEMENT AND COMPLAINTS

- 11.1 The Licensing Authority recognises the contribution that can be made by developing effective working practices with our partner agencies. The Licensing Authority shall establish enforcement protocols with the Gloucestershire Constabulary and other relevant partnership agencies to ensure efficient deployment of Licensing Authority enforcement staff and thereby avoiding duplication of effort when carrying out inspection or enforcement matters.
- 11.2 The Licensing Authority recognises that there are a number of mechanisms for addressing unlawful or anti-social behaviour that occurs away from licensed premises, qualifying clubs and temporary events, which include -
- Planning controls
 - Enforcement of Environmental Protection legislation (e.g. on noise nuisance)
 - Positive measures to provide a safer and clean town centre environment in partnership with local businesses, transport operators and other departments of the City Council
 - Powers to designate parts of the district as places where alcohol may not be consumed publicly
 - Police enforcement of the law with regard to disorder and anti-social behaviour, including the issue of fixed penalty notices
 - Police powers to confiscate alcohol from adults and other in designated areas
 - No inspection will take place without a reason
 - The Licensing Authority and its Enforcement Officers recognise that a key element of their activity will be to allow or even encourage, economic progress and only intervene when there is a clear case for protection
- 11.3 Once licensed, it is essential that premises are maintained and operated so as to ensure the continued promotion of the licensing objectives and compliance with the specific requirements of the Licensing Act 2003. The Licensing Authority will monitor premises and take any appropriate enforcement action to ensure compliance.
- 11.4 All decisions and enforcement actions taken by the Licensing Authority will be in accordance with the Environmental Health and Regulatory Services Enforcement Policy and the principles of consistency, transparency and proportionality set out in the Department of Trade and Industry's Enforcement Concordat, The Department for Business Enterprise and Regulatory Reforms Regulators Compliance Code.
- 11.5 The Licensing Authority may when appropriate employ licensing enforcement officers to investigate allegations of unlicensed activities and to ensure that licence conditions are complied with, and will seek to work actively with the Gloucestershire Police in enforcing licensing legislation.
- 11.6 The Licensing Authority will continue to work with its partner agencies in enforcing the licensing laws and in the inspection and risk rating of premises to ensure the licensing objectives and licence conditions are met. Risk assessments will be regularly reviewed and any appropriate action that needs to be taken will be implemented immediately. In particular the Licensing Authority will target its inspection process towards those premises that are considered as 'problematic'

and 'high risk' premises in particular those premises situated within the Cumulative Impact Zone that may require greater attention, while providing the 'lighter touch' in respect of low risk premises that are run well.

- 11.7 Annual fees and suspension of licences for non-payment.- The Licensing Authority is required under section 55A of the Licensing Act to suspend premises licenses where the annual fee has not been paid. The Licensing Authority will invoice each licensee when the annual fee is due setting out the fee that is due and the consequences for non-payment. Where the fee has not been paid or there has been no claim of administrative error by the end of 21 days of the due date, the Licensing Authority will serve the required 2 working day notice to suspend the licence.
- 11.8 Where a licence is suspended this means that no licensable activities will be authorised to be provided at the premises until the suspension is lifted on receipt of payment of the overdue fee. Officers will conduct enforcement visits to premises where a licence has been suspended and will take the appropriate action in accordance with the council's enforcement policy.
- 11.9 If an operator does not wish to carry on the activities that require the premises licence or certificate anymore it is important the licence or certificate is surrendered to prevent maintenance fees being accrued.
- 11.10 In undertaking the inspection of licensed premises the Licensing Authority will promote the following categories of risk weighting:
- Medium to High Risk**
- City Centre Public Houses and Night Clubs
 - All other premises where there is regulated entertainment
 - City Centre Late Night Refreshment Houses
- Low to Medium Risk**
- All other Public Houses
- Low Risk**
- Licensed restaurants / cafés where the primary purpose is serving food
 - All other licensed premises within the district

In addition to the above the history of the premises will also be taken into consideration in respect of the issues listed in 10.12 below. New sites not listed above - to be assessed dependent upon location and style of operation and operators.

- 11.11 Where 'Other Persons' have made a valid representation about licensed premises or a valid application for a licence to be reviewed, then the Licensing Authority will initially arrange a mediation meeting to address, clarify and try to resolve the issues of concern. 'Other Persons' are defined as at paragraph 2.2
- 11.12 The Licensing Authority can only review a licence where it is alleged that the licensing objectives are being breached. It views particularly seriously applications for the review of any premises licence where it involves the:
- use of licensed premises of the sale distribution of Class A drugs and the laundering of the proceeds of drugs crimes
 - use of licensed premises for the sale distribution of illegal firearms
 - evasion of copyright in respect of pirated films and music

- Underage purchase and consumption of alcohol
- Use of licensed premises for prostitution or the sale of unlawful pornography
- Use of licensed premises of unlawful gaming
- Use of licensed premises as a base for organised criminal activity
- Use of licensed premises of the organisation of racist, homophobic or sexual abuse or attacks
- Use of licensed premises of the sale of smuggled tobacco or goods
- The use of licensed premises for the sale of stolen goods
- Where the police are frequently called to attend to incidents of disorder
- Prolonged and/or repeated instances of public nuisance
- Where serious risks to public safety have been identified and the management is unable or unwilling to correct those
- Where serious risks to children have been identified
- Immigration Offences such as employment of persons who do not have the right to work in the UK.

11.13 This process will not override the right of any 'Other Persons' to ask the Council's Licensing Committee to consider their valid objections, or for any licence holder to decline to participate in a mediation meeting.

12.0 TEMPORARY EVENT NOTICES (TEN's)

- 12.1 The Licensing Act 2003 provides for certain occasions when small scale events (for no more than 499 people at a time and lasting for no more than 168 hours) do not need a licence providing that advance notice is given to the Police, Environmental Health and the Licensing Authority.
- 12.2 The Licensing Authority recommends that as much notice as possible be given by applicants for events. For large events organisers are encouraged to give as much as three months notice so that the Licensing Authority can help organisers plan their events safely. **The law states that at least ten working days notice must be given** but the less time that is given will increase the likelihood of the police objecting.
- 12.3 Ten working days commences with the day **after** the notification is given to the Licensing Authority and finishes the day **before** the event is due to take place. 'This means that day one will be the first working day following the day when the Temporary Event Notice is given to the Licensing Authority and the tenth working day must not be later than the day before the event is due to take place.'
- 12.4 In certain circumstances a Late Temporary Event Notice can be given this is to assist premises users who are unable to give ten working days notice for reasons outside their control. A Late Temporary Event Notice can only be accepted if it is received at least five days before the beginning of the event.
- 12.5 Organisers of temporary events are strongly advised to contact the Licensing Authority for advice at the earliest opportunity when planning events. Where necessary discussions will be held with the Police and Environmental Health to avoid any unnecessary objections being made that may arise from misunderstandings or confusion as to what is being proposed.
- 12.6 All events run under the terms of a temporary event notice will be risk assessed by the Licensing Authority and may be visited by a Licensing and Enforcement Officer if considered necessary.
- 12.7 This Authority takes the view that if it considers that a Temporary Event Notice has not been properly given then, in the first instance, the Authority will check with the Police and Environmental Health that they are in receipt of the notification, are satisfied with the notice given and whether or not they intend to make an objection on the basis on one or more of the licensing objectives. If they are not planning to make an objection and the Police and Environmental Health are satisfied with the notice given the Authority should not unnecessarily prohibit these events taking place on the grounds that the notification had not been properly made.
- 12.8 The number of TEN's allowed on a premises in any one calendar year is 15.
- 12.9 The aggregated number of days covered by a TEN at any individual premises may not exceed 21 days.

13.0 PERSONAL LICENCES – NEW APPLICATIONS

- 13.1 A personal licence is a licence issued to an individual authorising them to make or authorise the sale of alcohol in accordance with a premises licence. Every premises licence that authorises the sale of alcohol must specify an individual who acts as the designated premises supervisor (DPS). The DPS must hold a personal licence.
- 13.2 Applications for personal licences should be made to the licensing authority for the area where the applicant is ordinarily resident at the time they make their application.
- 13.3
- (a) The applicant is aged 18 or over
 - (b) The applicant is entitled to work in the United Kingdom
 - (c) The applicant possesses a licensing qualification or is a person of a prescribed description
 - (d) The applicant has not forfeited a personal licence in the five year period prior to their application being made
 - (e) The applicant has not been convicted of any relevant offence or any foreign offence or required to pay an immigration penalty
- 13.4 The licensing authority must reject an application if the applicant fails to meet one or more of the requirements set out in (a) to (d) above.
- 13.5 Where the applicant meets the requirements in (a) to (d) but does not meet the requirements of (e), the licensing authority must give the chief officer of police for its area a notice to this effect. Having received such a notice, if the chief officer of police is satisfied that the granting of the application would undermine the crime prevention objective, he must within 14 days, give the licensing authority a notice to that effect.
- 13.6 Where the applicant fails to meet the requirements of (e) as a result of a conviction for an immigration offence or because they have been required to pay an immigration penalty, the licensing authority must give a notice to the Secretary of State for the Home Department to that effect. The Home Office may object to an application on grounds that granting the personal licence would be prejudicial to the prevention of illegal working in licensed premises.
- 13.7 Where an objection to the grant of a personal licence is received from either the chief officer of police or the Home Office, the applicant is entitled to a hearing before the licensing authority. If no objections are received, the licensing authority must grant the application.
- 13.8 At a hearing to determine a personal licence application to which the chief officer of police or Home Office have objected, the licensing authority will have regard to all of the circumstances including the following:
- The need to assess each case on its merits
 - The duty to promote the crime prevention objective
 - The objection notice given by the Police or Home Office
 - The guidance issued by the Secretary of State under section 182 of the Licensing Act 2003
 - The seriousness of the relevant offence

- The sentence or penalty imposed on the applicant for the relevant offence
 - Any representations made by the applicant
 - Any other evidence as to the previous character of the applicant
- 13.9 If, having considered all of the circumstances, the licensing authority considers that it is appropriate for either the promotion of the crime prevention objective or for the prevention of illegal working in licensed premises to reject the application, it must do so. In all other cases the application must be granted.
- 13.10 If an application is refused, the applicant will be entitled to appeal against the decision they make. Similarly, if the application is granted despite a police objection notice or an objection from the Home Office, the chief officer of police or Home Office are entitled to appeal against the licensing authority's determination. The licensing authority will therefore record in full the reasons for any decision that it makes.

14.0 PERSONAL LICENSES – SUSPENSION AND REVOCATION

- 14.1 Section 138 of the Policing and Crime Act 2017 amended the Licensing Act 2003 and gave the power to a licensing authority to suspend or revoke personal licences that it has issued with effect from 6 April 2017.
- 14.2 When a licensing authority has granted a personal licence and becomes aware that the licence holder has been convicted of a relevant offence or foreign offence or been required to pay an immigration penalty, a licensing authority may revoke the licence or suspend it for a period of up to six months. This applies to convictions received and civil immigration penalties which a person has been required to pay at any time before or after the licence was granted, as long as the conviction was received after 6 April 2017, or the requirement to pay the civil penalty arose after 6 April 2017. Only magistrates' courts can order the forfeiture or suspension of a personal licence for convictions received prior to 6 April 2017.
- 14.3 The process which must be undertaken by the licensing authority to suspend or revoke a personal licence is set out at section 132A of the 2003 Act. The decision to revoke or suspend a personal licence must be made by the licensing committee or sub-committee, but the actions required before making a final decision may be made by a licensing officer.
- 14.4 The licensing authority may not take action if the licence holder has appealed against the conviction or the sentence imposed in relation to the offence, until the appeal is disposed of. Where an appeal is not lodged, the licensing authority may not take action until the time limit for making an appeal has expired.
- 14.5 If a licensing authority is considering revoking or suspending a personal licence, the authority must give notice to the licence holder. This notice must invite the holder to make representations about the conviction, any decision of a court in relation to the licence, or any decision by an appellate court if the licence holder has appealed such a decision. The licence holder may also decide to include any other information, for example, about their personal circumstances.
- 14.6 The licence holder must be given 28 days to make their representation, beginning on the day the notice was issued. The licensing authority does not need to hold a hearing to consider the representations. Before deciding whether to revoke or suspend the licence the licensing authority must consider any representations made by the licence holder, any decisions made by the court or appellate court in respect of the personal licence of which the licensing authority is aware, and any other information which the licensing authority considers relevant.
- 14.7 The licensing authority may not be aware of whether the court considered whether to revoke or suspend the licence, and there is no obligation on the licensing authority to find this out before making a decision themselves. Where the court has considered the personal licence and decided not to take action, this does not prevent the licensing authority from deciding to take action itself. Licensing authorities have different aims to courts in that they must fulfil their statutory duty to promote the licensing objectives, and therefore it is appropriate for the licensing authority to come to its own decision about the licence.
- 14.8 If the licensing authority, having considered a suspension and revocation and

subsequently considered all the information made available to it, proposes not to revoke the licence it must give notice to the chief officer of police in the licensing authority's area, and invite the chief officer to make representations about whether the licence should be suspended or revoked, having regard to the prevention of crime. The chief officer may make representations within the period of 14 days from the day they receive the notice from the licensing authority.

- 14.9 Any representations made by the chief officer of police must be taken into account by the licensing authority in deciding whether to suspend or revoke the licence.
- 14.10 Convictions may come to light via police in another area, for example if the personal licence holder no longer lives in the area of the licensing authority which issued the licence, or if the offence took place in another police force area. In this instance it would be good practice for the police providing the information to notify the police force in the licensing authority area, because it is the local chief officer who must provide representations if the licensing authority proposes not to revoke the licence.
- 14.11 Where the licence holder is convicted of immigration offences or has been required to pay a civil penalty for immigration matters, the licensing authority should notify Home Office Immigration Enforcement and allow representations to be made in the same way.
- 14.12 In deciding whether to suspend or revoke a personal licence, the licensing authority will have regard to all of the circumstances including the following:
- The need to assess each case on its merits
 - The duty to promote the licensing objectives
 - The guidance issued by the Secretary of State under section 182 of the Licensing Act 2003
 - The seriousness of the relevant offence
 - The sentence or penalty imposed on the licence holder for the relevant offence
 - Any representations made by the Police or Home Office Immigration Enforcement
 - Any representations made by the holder of the licence
 - Any evidence as to the previous character of the holder of the licence
- 14.13 The licensing authority must notify the licence holder and the chief officer of police of the decision made (even if the police did not make representations). The licence holder may appeal the licensing authority's decision to revoke or suspend their personal licence. A decision to revoke or suspend the licence does not take effect until the end of the period allowed for appealing the decision (21 days); or if the decision is appealed against, until the appeal is disposed of.
- 14.14 If the personal licence holder is a DPS, the licensing authority may notify the premises licence holder once the decision to revoke or suspend the licence has been made if it becomes necessary to do so in order for the licensing authority to be able to carry out their functions.
- 14.15 The licensing authority may also notify any person who has declared an interest in the premises under section 178 of the 2003 Act if it becomes necessary to do so in order for the licensing authority to be able to carry out their functions

15.0 LATE NIGHT REFRESHMENT EXEMPTIONS

- 15.1 Paragraph 2A of Schedule 2 to the 2003 Act (as inserted by the Deregulation Act 2015) gives licensing authorities powers to exempt premises, in certain circumstances, from the requirement to have a licence to provide late night refreshment.
- 15.2 This authority has not resolved to exempt any premises from the requirement to have a licence to provide late night refreshment.

16.0 IMMIGRATION ACT 2016 – ENTITLEMENT TO WORK

- 16.1 Section 36 of and Schedule 4 to the Immigration Act 2016 made a number of amendments to the Licensing Act 2003 to introduce immigration safeguards in respect of licensing applications made in England and Wales on or after 6 April 2017. The intention of these changes is to prevent illegal working in premises licensed for the sale of alcohol or late night refreshment.
- 16.2 The statutory prevention of crime and disorder licensing objective in the Licensing Act 2003 includes the prevention of immigration crime and the prevention of illegal working in licensed premises. The Council will work with the Home Office (Immigration Enforcement) as well as the police, in respect of these matters.
- 16.3 Section 36 of and Schedule 4 to the Immigration Act 2016 (the 2016 Act) amended the 2003 Act to provide that in England and Wales:
- Premises licences to sell alcohol or provide late night refreshment and personal licences cannot be issued to an individual who does not have permission to be in the UK, or is not entitled to undertake work relating to the carrying on of a licensable activity;
 - Licences issued to those with limited permission to be in the UK will lapse when their permission to be in the UK and work in a licensable activity comes to an end;
 - Immigration offences, including civil penalties, are ‘relevant offences’ as defined by the 2003 Act;
 - The Home Secretary (in practice Home Office (Immigration Enforcement)) was added to the list of responsible authorities in the licensing regime, which requires Home Office (Immigration Enforcement) to receive premises licence applications (except regulated entertainment only licences) and applications to transfer premises licences, and in some limited circumstances personal licence applications, and permits Home Office (Immigration Enforcement) to make appropriate representations and objections to the grant of a licence; and
 - Immigration officers are permitted to enter premises which they have reason to believe are being used to sell alcohol or provide late night refreshment, to investigate whether immigration offences are being committed in connection with the licensable activity.
- 16.4 The licensing authority will have regard to any guidance issued by the Home Office in relation to the immigration related provisions now contained in the Licensing Act 2003.
- 16.5 The licensing authority will also work in partnership with the Home Office (Immigration Enforcement) and Gloucestershire Police with a view to preventing illegal working in premises licensed for the sale of alcohol or late night refreshment.

APPENDIX B**THE LICENSING PROCESS – ADDITIONAL INFORMATION:****Personal Licences**

Any individual may make application for a personal licence whether or not they have current employment or business interests associated with the use of the licence.

The Licensing Authority will grant a personal licence if it appears that:

- a) The applicant is over 18
- b) The applicant possesses a relevant licensing qualification
- c) The applicant has not forfeited a personal licence in the previous five years beginning with the day the application was made
- d) The applicant has not been convicted of any relevant offence
- e) The applicant has paid the appropriate fee

In order to substantiate whether or not an applicant has a conviction for an unspent relevant offence, applicants will be required to produce to the Licensing Authority a Criminal Records disclosure certificate.

Premises Licences

An application can be made to the Licensing Authority for any place used for licensable activities or recognised club activities within its area. Any application must be accompanied by:

- a) The required fee
- b) An Operating Schedule*
- c) A plan of the premises, and
- d) If it is intended to sell alcohol a form of consent given by the person the applicant wishes to have specified in the Premise Licence as the Designated Premises Supervisor, and a copy of that person's Personal Licence.

* The Operating Schedule must include a statement of:

- a) The proposed relevant licensable activities;
- b) The times during which the applicant proposes that the relevant licensable activities are to take place;
- c) Any other times during which the applicant proposes that the premises are to be open to the public and for what purpose they propose to be opened.
- d) Where the applicant wishes the licence to have effect for a limited period, that period;
- e) Where the relevant licensable activities include the sale by retail of alcohol, the name and address of the individual whom the applicant wishes to have specified as the Designated Premises Supervisor (DPS);
- f) Where the relevant licensable activities include the sale by retail of alcohol, whether such sales are proposed to be for consumption on or off the premises, or both; and
- g) The steps which the applicant proposes to take to promote the licensing objectives.

In considering the steps to be taken to promote the licensing objectives the applicant should give consideration to Appendix B of this policy above.

Community Premises

These premises which would include church halls, chapel halls, parish halls, village halls, community halls and other similar buildings may be licensed for the sale of alcohol without the need for a Designated Premises Supervisor or Personal Licence Holder provided that the Licence Holder for the premises is a committee or board of individuals with responsibility for the management of the premises. This 'management committee' could then be responsible for the supervision and authorisation of all alcohol sales should it so wish.

Existing premises which fit the definition of Community Premises and currently hold an authorisation for the sale of alcohol with the mandatory condition relating to a Designated Premises Supervisor may request disapplication of this condition in favour of the alternative condition relating to a management committee.

Takeaway food premises

It is recognised that takeaway premises open late at night can be associated with disorder as persons under the influence of alcohol having left, or in some cases being ejected from, late night venues congregate there.

Applicants for licences are recommended to have written policies for dealing with disorder and nuisance and should give consideration to the issues regarding takeaways.

The Licensing Authority may recommend that licensed premises principally used for selling hot food for consumption off the premises shall have suitable CCTV installed. Where Crime and Disorder issues arise the Licensing Authority may impose a requirement on the premises licence holder to employ SIA doormen.

Where the Licensing Authority considers it appropriate, it may impose conditions on a premises licence to require the operators of premises serving customers with hot food or drink to provide litter bins in the vicinity of the premises in order to prevent the accumulation of litter from its customers.

Sexual Entertainment Venues (SEV's)

The Licensing Authority has adopted the amended provisions of schedule 3 of the Local Government (Miscellaneous Provisions) Act 1982 as amended by section 27 of the Policing and Crime Act 2009 ('the 2009 Act') with respect to "relevant entertainment", that is:

- a) any live performance; or
- b) any live display of nudity.

which is of such a nature that, ignoring financial gain, it must reasonably be assumed to be provided solely or principally for the purpose of sexually stimulating any member of the audience (whether by verbal or other means).

The adopted provisions came into effect on the 1st April 2011 in Gloucester.

Any premises that want to offer relevant entertainment on a regular basis, that is more frequent than 24 hours once a month on no more 11 occasions a year, can no longer offer this under the provisions of the Act as a result of the

abovementioned adoption. These premises must apply for a Sexual Entertainment Venue (SEV) licence.

Premises that want to offer relevant entertainment on an irregular basis can still do so under the provisions of the Act. These premises must be authorised for the performance of dance and the performance of recorded music.

The Government has seen it fit to exempt infrequent sexual entertainment from requiring a licence. Whilst the council recognises and accepts this, it is also acutely aware that unless it is properly managed there are risks to public protection and safety, an increased likelihood of associated crime & disorder and an inability of regulatory bodies to respond accordingly.

Pavement Cafes and External Areas

The Local Authority wishes, as far as is compatible with other highway uses, to promote the 'cafe culture' in Gloucester because of the added life and vitality this brings to the town.

Whilst the provision of tables and chairs outside a premises can enhance the attractiveness of a venue, regard should be had to the need to ensure that the use of such areas will not cause nuisance to local residents and other premises in the vicinity.

Premises that make use of external areas are expected to manage those areas in such a way that its use does not impede access to the premises, obstruct the highway and does not cause disturbance.

Businesses are reminded that outside areas may require a Pavement Licence and these should be applied for separately. Further advice can be obtained from the website.

Shops Selling Alcohol (Off Licences)

There has been a trend towards more alcohol being purchased from shops and consumed at home and less being purchased and consumed in traditional pubs, restaurants and night clubs than used to be the case in the past. The growing practice of "pre-loading" has the potential to create specific problems and detriment to the licensing objectives.

Furthermore, the availability of alcohol for consumption off the premises has the potential to cause other problems that include ease of access to alcohol by children, ease of thefts, encouragement of street drinking and an increase of crime and disorder and public nuisance.

Where there is evidence that the licensing objectives are being compromised or are likely to be compromised, the Licensing Authority will consider imposing appropriate restrictions on a licence, this could be achieved either by reviewing the premises licence or agreeing appropriate conditions that would alleviate the Licensing Authority's concerns.

Club Premises Certificates

The Licensing Authority may issue a “Club Premises Certificate” to a qualifying Club. The Certificate will specify that the premises may be used for one or more of the ‘recognised Club activities’ and that the Club is a qualifying Club in relation to each of those activities.

Recognised Club activities are:

- a) The supply of alcohol by or on behalf of the Club to or to the order of a member of the Club;
- b) The sale by retail of alcohol by or on behalf of a Club to a guest or a member of the Club;
- c) The provision of regulated entertainment where that provision is by or on behalf of the Club for members of the Club or members of the Club and their guests.

The Club is a qualifying Club in respect of the recognised activities provided that, under the rules of the Club, a person may not be admitted to membership, or be admitted as candidates for membership, to any of the privileges of membership without an interval of at least two days between their nomination or application for membership to their admission. People becoming members without nomination or prior application may not be admitted to the privileges of membership without an interval of two days between them becoming members and their admission.

The Club must be established and conducted in good faith as a Club and have a minimum of 25 members.

A Club can apply for a Club Premises Certificate in respect of premises, which are occupied by, and habitually used for the purposes of the Club. The application must be accompanied by:

- a) The relevant fee;
- b) The Club Operating Schedule;*
- c) A plan of the premises;
- d) A copy of the rules of the Club;
- e) Evidence that the Club is a qualifying Club in relation to each of the recognised Club activities to which the application relates.

*The Club Operating Schedule **must** contain the following:

- a) Details of the recognised Club activities to which the application relates;
- b) The times during which it is proposed the recognised Club activities take place;
- c) Any other times during which it is proposed the premises are open to members and their guests; and
- d) The steps which it is proposed to take to promote the licensing objectives.

In considering the steps to be taken to promote the licensing objectives the applicant should give consideration to Appendix B of this policy (Factors for Consideration).

Club Premises Certificates will be dealt with in a similar manner as applications for Premises Licences.

Temporary Event Notices (TEN)

Temporary event notices are subject to various limitations. These are concerned with:

- a) **Duration** - they are limited to events lasting for up to 168 hours;
- b) **Scale** – they cannot involve the presence of more than 499 people at any onetime;
- c) **Use of the same premises** – the same premises cannot be used more than 15 times in a calendar year; to a maximum of 21 days
- d) **The number of notices** given by one individual within a calendar year is restricted to 5 unless that person is the Holder of a Personal Licence in which case 50 is the maximum.

In any other circumstances, a temporary event at which licensable activities are to take place would require a premises licence if the premises or place at which the event is to take place is currently unlicensed for the activity or activities involved. The procedures for applying for and granting such a licence are identical to those for a permanent licence.

Temporary event notices do not require the Licensing Authority's permission. In general, only the police may object on the grounds of disorder to such an event. The Council will only ever intervene itself if the limits on the number of notices that may be given in various circumstances would be exceeded.

Many premises users giving temporary event notices will not have commercial backgrounds or ready access to legal advice. They will include, for example, people acting on behalf of charities, community and voluntary groups, schools, churches and hospitals all of which may stage public events to raise funding at which licensable activities will take place. The Licensing Authority will ensure that local guidance about the temporary permitted activities is clear and understandable and will strive to keep the arrangements manageable and user-friendly for these groups.

The Licensing Authority will not seek to attach any terms, limitations or restrictions on such events other than those set down in the legislation. However the Licensing Authority will provide local advice about proper respect for the concerns of local residents; of other legislative requirements regarding health and safety, noise pollution or the building of temporary structures; of other necessary permissions, for example, with regard to road closures or the use of pyrotechnics in public places; with regard to local bye-laws; and the need to prevent anti-social behaviour by those attending. Local publicity will also remind notice givers of relevant offences under licensing law including the laws governing sales of alcohol to minors or to any person who is drunk, and of the police powers to close down events with no notice on grounds of disorder, the likelihood of disorder or the because of public nuisance, including noise emanating from the premises.

A purpose of the notification requirement is to enable the Licensing Authority to check that the limitations set down in the Act are being observed and to intervene if they are not. Where the application is not within the parameters described above, the Licensing Authority will issue a counter notice to the person giving the notice. Where the notice is in order, the fee prescribed by the Secretary of State paid, the event falls within the limitations in the Act, and there has been no Police intervention, the Licensing Authority will record the notice in its register and send an acknowledgement to the premises user.

Additional limitations

On receiving a temporary event notice the Licensing Authority will also check that other requirements of the Act are met. (For example, a temporary event notice would be void unless there is a minimum of 24 hours between events notified by the premises user in respect of the same premises. This is to prevent evasion of the 168-hour limit on such events, and emphasise the need to obtain a full premises licence for more major events. In addition, for these purposes, a notice is treated as being from the same premises user if an associate gives it.)

The Act defines an associate as being:

- a) the spouse of that person;
- b) a child, parent, grandchild, grandparent, brother or sister of that person or their spouse; or
- c) an agent or employee of that person or their spouse;

A person living with another person as his or her husband or wife is treated for these purposes as his or her spouse.

Provisional Statements

Where premises are being constructed for the purposes of being used for one or more licensable activities or are being extended or otherwise altered for that purpose (whether or not they are already being used for that purpose) a person may apply for a Provisional Statement if they have an interest in the premises and, if an individual, they are aged 18 years or over.

An application for a Provisional Statement must be accompanied by a schedule of works that includes details of the licensable activities for which the premises will be used; a plan of the premises; and such other information as may be prescribed.

Applications for Provisional Statements will be dealt with in a similar manner as applications for a Premises Licence.

If a Provisional Statement has been issued and the person subsequently applies for a Premises Licence in respect of the premises, a part of them or premises which are substantially the same as the relevant premises (or part of them) and the application is in the same form as the Licence described in the Schedule of Works accompanying the application for that statement has been satisfactorily completed then any representations made by a person shall not be taken into account if:

- a) Given the information in the application for a Provisional Statement the person objecting could have made the same, or substantially the same, representations about the application but had failed to do so without reasonable excuse; and,
- b) There has been no material change in circumstances relating either to the relevant premises or to the area in the vicinity of those premises.

Variations of Licences

Applications to vary a Premise Licence/Club Premises Certificate will be dealt with in a similar manner to applications for a new Premise Licence. If relevant representations are not received the application for variation will be granted.

If relevant representations are made and not withdrawn the Licensing Authority will hold a hearing and at that hearing the Licensing Authority may:

- a) Modify the conditions of the Licence; or
- b) Reject the whole or part of the application.

The Licence will not be varied so as to:

- a) Extend the period for which the Licence has effect; or
- b) To vary substantially the premises to which it relates.

The Licensing Authority may vary a Premise Licence so that it has effect subject to different conditions in respect of:

- a) Different parts of the premises concerned; and
- b) Different licensable activities.

Minor Variations

An amendment to the Licensing Act in July 2009 allows for a simplified, faster, cheaper procedure to vary a Premises Licence or Club Premises Certificate where the proposed variations are no more than:-

- minor changes to the structure or layout of a premises
- small adjustments to licensing hours
- the removal of out of date, irrelevant, unenforceable conditions
- the addition of volunteered conditions
- the addition of certain licensable activities (not the sale or supply of alcohol)

In all cases the overall test is whether the proposed variation could impact adversely on any of the four licensing objectives.

Interim Authorities

Generally a Licence will remain in force for as long as the Licensee continues to operate the business unless it is revoked or it is specified it has effect for a limited period and that period expires. However, if the holder of a Premise Licence dies, becomes mentally incapable or becomes insolvent then the Licence will lapse.

If, within a twenty eight day period of such circumstances, a person who had an interest in the premises concerned or is connected to the person who held the Premises Licence immediately before it lapsed gives the Licensing Authority an 'Interim Authority Notice' the Licence will be reinstated for a three-month period.

At the end of the three months it will lapse unless an application for a transfer of the Licence is made.

A person is connected to the former holder of a Premise Licence if, and only if:

- a) The person is the personal representative in the event of the holder's death;
- b) In respect of someone who has become mentally incapable the person is acting under section 6 of the Enduring Power of Attorney Act 1985; or,
- c) In the event of insolvency the person is acting as an Insolvency Practitioner.

Interim Authority Notices must also be served on the Police. If the Police consider that the grant of an Interim Authority Notice would undermine the prevention of crime objective the Licensing Authority will arrange a hearing to consider the Notice.

Transfer of Premises Licences/Club Premises Certificate

The following persons may apply for the transfer to them of a Premise Licence/Club Premises Certificate:

- a) A person who carries on, or proposes to carry on, a business, which involves the use of a premise for the licensable activities, authorised by the Premise Licence/Club Premises Certificate;
- b) Any person who makes the application in pursuance of one or more of its statutory functions which relate to those licensable activities;
- c) A relevant Club within the meaning of the Act;
- d) A charity
- e) An educational institution;
- f) A hospital; or
- g) A person of such other description as may be prescribed.

Notice of the application must be given to the Police.

If the Police consider the granting of the application would undermine the crime prevention objective the Licensing Authority will consider their reasons for that decision and will reject the application if the Licensing Authority consider it necessary for the promotion of the crime prevention objective to do so.

An application for a transfer of a Licence can contain a request that the transfer has immediate effect. Such a request can only be made with the consent of the holder of the Premises Licence/Club Premises Certificate unless the applicant has taken all reasonable steps to obtain that consent and would be in a position to use the premises while the application is pending for the licensable activities authorised by the Premises Licence.

A full transfer of the Licence can only be made with the consent of the Premise Licence/Club Premises Certificate Holder unless identical circumstances apply.

In the event of a death, incapacity or insolvency of a Licence Holder and where no Interim Authority Notice has been given, provided that an application is made within 7 days after the Licence lapsed, a person can make an application for the transfer of the Licence to him and the Licence shall be reinstated from the time the application is received by the Licensing Authority.

Reviews

Reviews of Premise Licences/Club Premises Certificates represent a key protection for the community where problems associated with disorder, public safety or disturbance are occurring. If relevant representations* are made about a current licence the Licensing Authority will hold a hearing to consider them unless the Licensing Authority, the applicant and everyone who has made representations agreed that the hearing is not necessary.

A request to the Licensing Authority can be applied for at any time after a licence has been issued although it would be necessary for the licence to have been in operation for a reasonable period to allow the licensee to sort out any initial problems and also allow for the gathering of sufficient evidence by the person wishing to request the review. Government guidelines suggest a 12 month period is reasonable. This allows for seasonal changes should this be a relevant factor.

Before considering a request for a review it is suggested that a contact be made with the Premises Licence Holder/Designated Premises Supervisor or, in the case of a

Club, the secretary, chairman or other committee member. It may be that the problem(s) could be sorted out amicably.

***Relevant Representations**

'Relevant representations' are representations:

- a) About the effect of the Premise Licence/Club Premises Certificate on the promotion of the licensing objectives;
- b) Are made by an a responsible authority or 'other persons', have not been withdrawn and, in the case of representations made by an 'other persons' they are not in the Licensing Authority's opinion frivolous or vexatious

A Licence review will normally follow any action by the Police to close down the premises for up to 24 hours on grounds of disorder or public nuisance.

Appeals

Entitlements to appeal for parties aggrieved by decisions of the Licensing Authority are set out in Schedule 5 of the 2003 Act.

An appeal against a decision by the Licensing Authority in the case of Premises Licences, Club Premises Certificates or Temporary Event Notices has to be made to the Magistrates' Court for the area in which the premises is situated. In the case of personal licenses, the appeal must be made to the Magistrates' Court for the area in which the licensing authority (or any part of it) is situated.

An appeal may be initiated by the giving of a notice of appeal by the Appellant to the Justices' Chief Executive for the Magistrates' Court within a period of 21 days beginning with the day on which the Appellant was notified by the Licensing Authority of the decision appealed against.

The Licensing Authority will always be a respondent to the appeal, but in cases where a favourable decision has been made for an applicant against the representations of a responsible authority or an interested party, the holder of the premises licence or club premises certificate will also be entitled to act as a Respondent.

On determining an appeal the court may:

- a) dismiss the appeal;
- b) substitute for the decision appealed against any other decision which could have been made by the Licensing Authority; or
- c) remit the case to the Licensing Authority to dispose of it in accordance with the direction of the court.

The court may make such order as to costs as it thinks fit.

Giving reasons for decisions

The Licensing Authority will maintain comprehensive records recording the reasons for its decisions. On making findings of fact in its reasons, the Licensing Authority will also ensure that they address the standard of proof and the burden of proof that they have adopted. The Licensing Authority will also address the extent to which the decision has been made with regard to its statement of licensing policy and the Guidance issued by the Home Office under section 182 of the Act.

Implementing the determination of the Magistrates' Courts

Upon notification of the Court's decision the Licensing Authority will seek to action that determination without undue delay, unless ordered by a higher court to suspend such action (for example, as a result of an on-going judicial review). The Act provides for no further appeal against the determination of the Magistrates' Courts.

APPENDIX D

GLOSSARY OF TERMS**“LICENSABLE ACTIVITIES”**

- Retail sale of alcohol or supply of alcohol by a club.
- Provision of regulated entertainment.
- Late night refreshment i.e. serving hot food or hot drink between 23:00 hours and 05:00 hours.

“LICENSING AUTHORITY”

The Council of a district in England. In this case the Licensing Authority is Gloucester City Council.

“RESPONSIBLE AUTHORITY”

The following have been named as Responsible Authorities in the Act and/or Regulations:

- Police
- Fire Authority
- Enforcing Authority for Health and Safety at Work etc. Act 1974 i.e. Gloucester City Council Environmental Health or Health and Safety Executive
- Local Planning Authority i.e. Gloucester City Council Planning and Building Control Services
- Gloucester City Council Environmental Protection when dealing with matters under the Environmental Protection Act
- Authority responsible for or interested in matters relating to the protection of children from harm i.e. Gloucestershire County Council, Social Services
- Any Licensing Authority in whose area part of the premises is situated.
- Gloucester City Council Licensing Authority
- Weights and measures authority
- Local Health Board

IN RELATION TO A VESSEL:

- A Navigation Authority (where vessel is usually moored or any waters where it is or is proposed to be navigated at the time when it is used for licensable activities)
- The Environment Agency
- The British Waterways Board, or
- The Secretary of State

“PREMISES LICENCE”

A licence issued by the Licensing Authority in respect of any premises which authorises the premises to be used for one (or more) licensable activity(ies). The licence is valid

indefinitely unless a shorter period is specified on the licence, or unless it is surrendered or revoked.

“PREMISES”

Any vehicle, vessel or moveable structure, or any place or a part of any premises used for licensable activities.

“PERSONAL LICENCE”

Licence granted by the Licensing Authority to an individual that authorises that individual to supply alcohol or authorise the supply of alcohol in accordance with a premises licence.

“DESIGNATED PREMISES SUPERVISOR (DPS)”

The individual named in the premises licence as the premises supervisor. The Designated Premises Supervisor must hold a valid Personal Licence.

“TEMPORARY EVENT NOTICE (TEN)”

An individual aged 18 or over may use a Temporary Event Notice (TEN) where it is proposed to use premises for one or more licensable activity during a period not exceeding 168 hours and where the maximum number of persons to be admitted is less than 500.

“CLUB PREMISES CERTIFICATES”

A Club Premises Certificate may be applied for by any qualifying club that is established and conducted in good faith and possesses at least 25 members. New members to any club must wait at least two days between their nomination and admission to membership.

The grant of a Club Premises Certificate means that a qualifying club is entitled to certain benefits, namely:

- The authority to supply alcohol to members and sell it to guests without the need for any member or employee to hold a Personal Licence.
- The absence of a requirement to specify a Designated Premises Supervisor (DPS).
- More limited rights of entry for the Police and authorised persons.
- Not being subject to the police powers of instant closure, and
- Not being subject to potential orders of the Magistrates Court for a closure of all licensed premises in an area.

“OTHER PERSONS”

- Residents living near the premises
- Persons with an interest in the premises or locality
- Local Councillors
- Businesses with an interest in the premises or locality
- Organisations with an interest in the locality, premises or licensable activities
