## **2.0 The Proposal**

Elmbridge Residential Home is located at 21 Elmbridge Road, Gloucester. The property was converted from a large family dwelling and currently has C2 use class status. The care home was closed as of June 2021 and the site has remained vacant since this date.

The closure of the care home was considered necessary unfortunately due to unsustainable operations and likely disruption to the residents with future long term maintenance and upgrade works to the property.

The most suitable alternative use of the property is considered reverting back to the former family residence. The proposal seeks approval for the change of use from C2 (residential care home) back to a single family home (C3). No alterations (internal or external) are proposed as part of this application.

### 3.0 Existing Context & Arrangement

Elmbridge Road is located to the East of Gloucester. The surrounding area is largely residential, comprising of various large detached and semi-detached properties. 21 Elmbridge Road was originally constructed as a large family dwelling with a generous plot size. There is also good separation between neighbouring plots and substantial amenity spaces are seen. The location is served by several local schools and there are good transport links to nearby facilities and Gloucester centre.

The property has a formal Victorian appearance and is constructed with brick, slate tiles and stone decorative window surrounds and detailing. Several extensions have been completed at the property over recent years and are limited to single storey with a domestic scale. The site benefits from generous external garden and driveway spaces, and has a good level of parking facilities located to the side and rear. The driveway is shared with the rear 'Coach House' with separate car parking.

#### **4.0 Proposed Layout**

The layout remains unchanged as part of this application.

#### **5.0 Proposed Floor Area**

The gross internal floor area remains unchanged as part of this application.

#### **6.0 Proposed Scale & Appearance**

No external alterations are proposed as part of this application.

#### **7.0 Proposed Access**

The existing driveway is under the ownership of 21 Elmbridge Road and has a shared access through to the Coach House dwelling to the rear of the site. The Coach House, however, has it's own separate driveway and car parking amenity space. Currently there is provision for 6 car parking spaces at 21 Elmbridge Road.

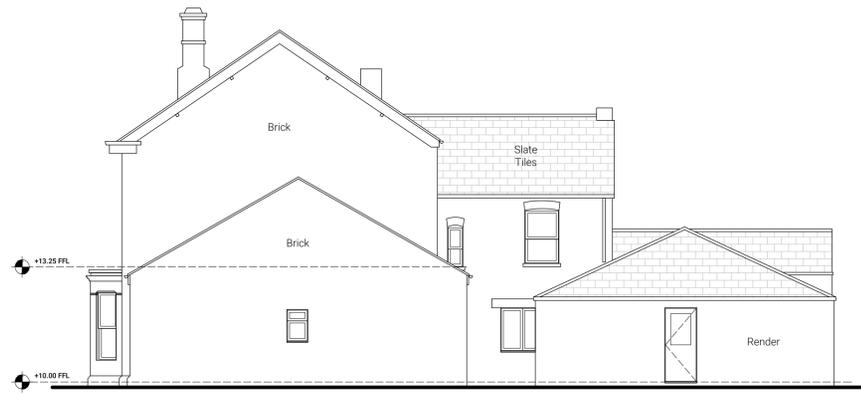

The driveway arrangement, access off Elmbridge road, and external garden spaces shall be retained as existing and shall maintain generous amenity provisions to the property. The site is also located within a sustainable location within Gloucester and is served well by local public transport.
