WHAT WE LOVE ABOUT REAL NAPPIES

Each reusable nappy can be used hundreds of times

No soaking or boiling or safety pins needed

Many different styles to suit your baby and lifestyle

Many fit baby from birth through to potty training

Real nappies are shaped, fitted and do up with velcro or poppers

CLAIM YOUR £30 VOUCHER

You can get £30 off the cost of reusable nappies if you live in Gloucestershire

£750+

Amount parents could save during the time each baby is in nappies, if choosing reusable nappies instead of single-use nappies

Colourful modern fabrics

Choose plain or patterned

Easy to wash and dry

Buy online or on high street

Choose microfibre, hemp or bamboo

Wash at 40 - 60 degrees

5,000

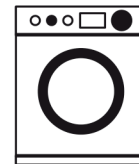

Number of single-use disposable nappies a baby can get through before it is potty trained, on average

2

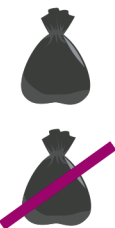

Number of outreach workers in Gloucestershire offering FREE help and advice on buying and using real nappies

£1.50

Washing real nappies costs as little as £1.50 per week

...This waste is a huge problem for local councils - it can make up half the waste produced by a one-baby family

15-20

Number of real nappies you would need in total to go 'disposable free'

15,300 gallons of water needed for washing during the time a baby is in real nappies

34,800 gallons of water needed to manufacture disposables for the same period
