

TOWN AND COUNTRY PLANNING ACT 1990
TOWN AND COUNTRY PLANNING (DEVELOPMENT MANAGEMENT PROCEDURE) (ENGLAND)
ORDER 2015

Application number: | 21/01288/FUL
Validated on: | 1st December 2021
Site address: | 9 Honyatt Road
Proposal: | Two storey rear extension

In exercise of its powers under the above-mentioned Act and Order the City Council as the Local Planning Authority **GRANT PERMISSION** for the development described above in accordance with the terms of the application and the plan/s submitted therewith subject to the following conditions:

Condition 1

The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

Reason

Required to be imposed by Section 91 of the Town and Country Planning Act 1990 as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.

Condition 2

The development hereby permitted shall be carried out in accordance with the application form, and drawing numbers A83P-56-01 rev A and A83P-56-02 rev C except where these may be modified by any other conditions attached to this permission.

Reason

To ensure that the development is carried out in accordance with the approved plans and in accordance with policies contained within the Gloucester, Cheltenham and Tewkesbury Joint Core Strategy (Adopted December 2017).

Condition 3 Samples of Materials

No work above damp proof course level shall be carried out until details of the natural slate proposed to be used have been submitted to and approved in writing by the Local Planning Authority. The development shall be carried out in accordance with the approved details.

Reason

To preserve and enhance the character and appearance of the conservation area in which this development is located.

Condition 4 Specification of guttering and downpipes

All rainwater guttering and downpipes shall be of metal finish details of which have first been submitted to and approved in writing by the Local Planning Authority. Details of the profile and decorative finish of the guttering and downpipes shall be submitted to and approved in writing by the Local Planning Authority prior to installation on site. The guttering and downpipes shall then be installed and maintained for the life of the development in accordance with the approved details.

Reason

To preserve and enhance the character and appearance of the conservation area in which this development is located.

Condition 5 Specification of windows and doors

The development hereby permitted shall be carried out in accordance with detailed drawings, however windows and doors should be powder coated aluminium.

Reason

It is important to preserve and enhance the character and appearance of the conservation area in which this development is located. These are important details that need to be constructed in the traditional, local way to ensure that the development fits into its surroundings.

Note 1

Your attention is drawn to the requirements of the Building Regulations, which must be obtained as a separate consent to this planning decision. You are advised to contact the Gloucestershire Building Control Partnership on 01453 754871 for further information.

Note 2

Your attention is drawn to the Party Wall Act 1996. The Act will apply where work is to be carried out on the following:

- Work on an existing wall or structure shared with another property.
- Building a free standing wall or a wall of a building up to or astride the boundary with a neighbouring property.
- Excavating near a neighbouring building.

The legal requirements of this Act lies with the building/ site owner, they must find out whether the works subject of this planning permission falls within the terms of the Party Wall Act 1996. There are no requirements or duty on the part of the local authority in such matters. Further information can be obtained from the DCLG publication Preventing and resolving disputes in relation to party walls – explanatory booklet.

Note 3

In accordance with the requirements of the NPPF the Local Planning Authority has sought to determine the application in a positive and proactive manner by offering pre-application advice, publishing guidance to assist the applicant, and publishing to the council's website relevant information received during the consideration of the application thus enabling the applicant to be kept informed as to how the case was proceeding.

Jon Bishop

Planning and Development Control Manager
